

**Pakistan Engineering Council
Accreditation Department**

**MINUTES OF 55th ENGINEERING ACCREDITATION & QUALIFICATION
EQUIVALENCE COMMITTEE (EA&QEC) MEETING HELD ON MARCH, 26 & 27, 2009
AT PEC HEAD QUARTER, ISLAMABAD.**

Note: (These minutes of 55th EA&QEC meeting are subject to notification, which shall be published later)

Agenda Item No.5 Consideration of Accreditation / Re-accreditation / Review / Confirmatory and Zero Visit Reports of Engineering Programs of different Universities / Institutions / Colleges.

S.No.	Name of University/ Institution & Program Profile		Existing Status	EA&QEC Decision
1	Mehran University of Engineering and Technology, Jamshoro			
(a)	Program: Visit Type: Visit Date:	B.E. Civil Re-accreditation 26-27/08/2008	Accredited (Batches not mentioned)	The program is recommended for re-accreditation of three years intake of Batches 2005 to 2007. However, the university is advised to remove the weak areas identified by the last PEC visitation team/report and a compliance report be submitted to PEC at earliest.
(b)	Program: Visit Type: Visit Date:	B.E. Chemical Re-accreditation 27-28/08/2008	Accredited (Batches not mentioned)	The program is recommended for re-accreditation of three years intake of Batches 2005 to 2007. However, the university is advised to remove the shortfalls identified in the last PEC visitation report and a compliance report be submitted to PEC before next accreditation visit.
(c)	Program: Visit Type: Visit Date:	B.E. Electronics Re-accreditation 28-29/08/2008	Accredited (Batches not mentioned)	The program is recommended for re-accreditation of three years (intake of Batches 2005 to 2007) <ul style="list-style-type: none"> • However, all weak areas identified by the visitation team be rectified before the next accreditation visit and intimated to PEC. • The university is advised to induct dedicated qualified faculty separate from Lab Engineers. • The student intake must not exceed 120 per year.
(d)	Program: Visit Type: Visit Date:	B.E. Computer System Re-accreditation 9-10/09/2008	Accredited (Batches not mentioned)	The program is recommended for re-accreditation of three years (Intake of Batches 2005 to 2007) The major weak areas/ deficiencies pertaining to curriculum, faculty workload and conduct of Labs/practical must be rectified before next accreditation visit with intimation to PEC.

S.No.	Name of University/ Institution & Program Profile		Existing Status	EA&QEC Decision
(e)	Program:	B.E. Software	Accredited upto intake of batch 2003	The University has to apply afresh on AC-1 for future accreditation i.e., intake batch 2004 onwards, as the same has already been intimated to University through PEC letter No. PEC/ EA&QEC/MUET/ 2009 dated 05-03-2009.
(f)	Program: Visit Type: Visit Date:	B.E. Electrical Re-accreditation 8-9/09/2008	Accredited (Batches not mentioned)	The program is recommended for re-accreditation of three years (Intake of Batches 2005 to 2007). The University is advised to remove all major weak areas/observations mentioned in the last visitation report and as per the commitment of Vice Chancellor reported in the rejoinder with intimation to PEC prior to submission of AC-1 forms for further re-accreditation visit.
(g)	Program: Visit Type: Visit Date:	B.E. Textile Re-accreditation 10-11/09/2008	Awarded to persons admitted in 1994 and after, subject to review after one year i.e. in 2003	The program is recommended for re-accreditation of one year (intake batch 2005 only). The University is advised to rectify all major weak areas/observations as conveyed the last visitation report and commitment given by the Vice Chancellor with intimation to PEC before next re-accreditation visit.
(h)	Program: Visit Type: Visit Date:	B.E. Pet-gas Re-accreditation 18/09/2008	Accredited (Batches not mentioned)	The program is recommended for re-accreditation of three years (intake batches 2005 to 2007 only). The weak areas/ deficiencies especially the faculty, Lab Engineers must be addressed before next accreditation visit with intimation to PEC
(i)	Program: Visit Type: Visit Date:	B.E. Metallurgical Re-accreditation 19/09/2008	Accredited (Batches not mentioned)	The program is recommended for re-accreditation for one year (intake batch 2005 only). The university is advised to comply with all major shortfalls, especially induct more qualified faculty, encourage young faculty for post-graduation, and also address the lab issues as mentioned in the last visit report before the next accreditation.

S.No.	Name of University/ Institution & Program Profile		Existing Status	EA&QEC Decision
(j)	Program: Visit Type: Visit Date	B.E. Mining Re-accreditation 17/09/2008	Accredited (Batches not mentioned)	The program is recommended for re-accreditation for three years (intake batch 2005 to 2007 only). The university is advised to address weak areas especially faculty and labs issues.
(k)	Program: Visit Type: Visit Date:	B.E. Industrial Re-accreditation 29-31/10/2008	Accredited (Batches not mentioned)	The program is recommended for re-accreditation for three Years (intake batch 2005 to 2007 only). The university is advised to address weak areas especially strengthening of labs with equipment and staff / class size with para-wise compliance of B.E. and intimated to PEC before submission of AC-1 form for future accreditation.
(l)	Program: Visit Type: Visit Date:	B.E. Mechanical Re-accreditation 29-31/10/2008	Accredited (Batches not mentioned)	The program is recommended for re-accreditation for three years (intake batch 2005 to 2007only) subject to written verification / clarification of the faculty, workload (theory and labs) semester-wise to PEC at the earliest.
2	University College of Engineering and Technology, Bahawalpur (Islamia University of Bahawalpur)			
	Program: Visit Type: Visit Date:	B.Sc. Electronic Engineering Re-accreditation 21/08/2008	Intake of Batch 2003 upto 2004	The program is not recommended for re-accreditation in this shape / form. <ul style="list-style-type: none"> The university / college is advised to furnish a separate detail accreditation request through submission of afresh AC-1 form for each of the four engineering programs (BE Electronic, Electrical, Computer System & Telecom) of the college. Further intake should be stopped till enough resources (separate dedicated faculty, labs and required infrastructure etc) are available at the campus.
3	University of Management and Technology, Lahore			
	Program: Visit Type: Visit Date:	B.S. Textile Engineering Zero 23-05-2008	New Program to be started	The program is not recommended with the existing arrangements. <ul style="list-style-type: none"> The university is advised to address the serious shortfalls / deficiencies mentioned in the PEC expert's report and as per the PEC / HEC guidelines.

S.No.	Name of University/ Institution & Program Profile		Existing Status	EA&QEC Decision
				<ul style="list-style-type: none"> The university is also advised not to take any intake unless green signal is given by PEC in the next Zero visit report which may be scheduled on the request of university after compliance of the observations.
4	University of Engineering and Technology Taxila (Main Campus)			
	Program: Visit Type: Visit Date:	B.S. Telecommunication Engineering Zero 6-7/08/2008	New Program (under process)	The university is recommended to continue the program w.e.f. intake batch 2007 only. <ul style="list-style-type: none"> However, university should remove weak areas identified by visitation team. The university is advised to apply for a normal accreditation visit through submission of AC-1 well in time as laid down.
5	University of Engineering and Technology, Taxila (Chakwal Campus)			
(a)	Program: Visit Type: Visit Date:	B.Sc. Mechatronics Engineering Accreditation 7/11/2008	Not accredited	The program is recommended for accreditation of one year (intake of Batch Fall 2005 only). Further accreditation is subject to prior compliance of the weak areas / deficiencies mentioned in the visitation report under intimation to PEC.
(b)	Program: Visit Type: Visit Date:	B.Sc. Electronic Engineering Accreditation 6 - 8/11/2008	Not accredited	The program is recommended for accreditation of one year (intake of Batch Fall 2005 only). Further accreditation is subject to prior compliance of the weak areas / deficiencies mentioned in the visitation report with intimation to PEC.
6	NFC Institute of Engineering and Fertilizer Research, Faisalabad (UET, Lahore)			
(a)	Program: Visit Type: Visit Date:	B.Sc. Mechanical Engineering Accreditation 24-25/09/2008	Not accredited	The program is recommended for accreditation for one year (intake of Batch 2004 only). Further accreditation is restricted subject to the compliance of all observations/serious shortfalls in intimation to PEC before the submission of afresh AC-1 form at earliest.

S.No.	Name of University/ Institution & Program Profile		Existing Status	EA&QEC Decision
(b)	Program: Visit Type: Visit Date:	B.Sc. Chemical Engineering Re-Accreditation 30-31/01/2009	(Morning) From Intake of Batch 1998 upto 2003	The program is recommended for re-accreditation for three years (intake batch 2004 to 2006 only). University is advised to address all the observations/ weak areas as mentioned in the Report.
(c)	Program: Visit Type: Visit Date:	B.Sc. Electrical Engineering Confirmatory 29/01/2009	From intake of Batch 2003 upto 2004	The program is recommended for re-accreditation for three years (intake batches 2003 to 2005) only; University is advised to address all the observations/ weak areas as mentioned in the Report.
7	NED University of Engineering and Technology, Karachi			
(a)	Program: Visit Type: Visit Date:	B.E. Mechanical Re- accreditation 29-30/07/2008	Accredit (Batches not mentioned)	The program is recommended for re-accreditation for three years (intake batches 2004-05 to 2006-07 only). However, University is advised to address all the observations/ weak areas, especially improvement of labs and class facilities / size as mentioned in the Report.
(b)	Program: Visit Type: Visit Date:	B.E. Industrial and Manufacturing Re-accreditation 30/07/2008	From Intake of Batch 1999-2000	The program is recommended for re-accreditation for three years (intake batch 2004-05 to 2006-07 only). University is advised to address all the observations/ weak areas especially class size as mentioned in the report.
(c)	Program: Visit Type: Visit Date:	B.E. Civil Re-accreditation 30/07/2008 & 01/08/2008	Accredited (Batches not mentioned)	The program is recommended for re-accreditation for three years (intake batch 2004-05 to 2006-07 only). University is advised to address all the observations/ weak areas especially class size as mentioned in the Report.
8	Lahore College for Women University (LCWU), Lahore			
	Program: Visit Type: Visit Date:	B.E. Electronic Confirmatory 15-16/09/2008	Not accredited	The program is recommended for accreditation for one year (intake of Batch 2004 only). Further accreditation is subject to para-wise compliance by university with intimation to PEC before submission of afresh AC-1 form at the earliest.

S.No.	Name of University/ Institution & Program Profile		Existing Status	EA&QEC Decision
9	NWFP University of Engineering and Technology, Peshawar (Main Campus)			
	Program: Visit Type: Visit Date:	B.Sc. Agriculture Engineering Re-accreditation 13-14/10/2008	Upto Intake of Batch 2005	The program is recommended for re-accreditation for three years (intake batch 2006 to 2008 only). University is advised to address all the observations/ weak areas especially lab / staff as mentioned in the Report.
10	NWFP University of Engineering and Technology, Peshawar (Abbottabad Campus)			
	Program: Visit Type: Visit Date:	B.Sc. Electronic Engineering Accreditation 27-28/10/2008	Not accredited	The program is recommended for accreditation for one year (intake batch 2004 only). No further accreditation visit will be conducted unless the compliance of all the observations/ weak areas mentioned in the report especially hiring senior faculty, curriculum and lab issues etc duly intimated to PEC prior to submission of accreditation request / AC-1 form.
11	Quaid-e-Awam University of Engineering, Science and Technology, Nawabshah			
(a)	Program: Visit Type: Visit Date:	B.E. Electronic Accreditation 22-24/10/2008	Not Accredited	The program is recommended for accreditation for one year (intake batch 2005 only). University is advised to address all the observations/ weak areas identified in the report with intimation to PEC and then apply for re-accreditation.
(b)	Program: Visit Type: Visit Date:	B.E. Energy and Environment Accreditation 22-23/10/2008	Not Accredited	The program is recommended for accreditation for one year (intake batch 2005 only). University is advised to address all the observations/ weak areas identified in the report with intimation to PEC and then apply for re-accreditation.
12	Rachna College of Engineering and Technology (RCET), Gujranwala (UET, Lahore)			
(a)	Program: Visit Type: Visit Date:	B.Sc. Industrial & and Manufacturing Engineering Accreditation 17-19/09/2008	Not Accredited	The program is recommended for accreditation for one year (intake batch 2004 only). • No further accreditation visit will be conducted unless the compliance of all the

S.No.	Name of University/ Institution & Program Profile		Existing Status	EA&QEC Decision
				<p>observations/weak areas mentioned in the report especially hiring senior faculty, curriculum and lab issues etc is intimated to PEC prior to submission of accreditation request / AC-1 form.</p> <ul style="list-style-type: none"> It is also proposed that HEC should be informed for information and necessary follow-up action.
(b)	Program: Visit Type: Visit Date:	B.Sc. Mechanical Engineering Accreditation 17-19/09/2008	Not Accredited	<p>The program is recommended for accreditation for one year (intake batch 2004 only).</p> <ul style="list-style-type: none"> Further accreditation is subject to the strict compliance of all major shortfalls, especially dedicated qualified faculty and establishment of labs at the RCET Campus. It is also proposed that HEC should be informed for information and necessary follow-up action.
(c)	Program: Visit Type: Visit Date:	B.Sc. Electrical Engineering Accreditation 16-17/09/2008	Not Accredited	<p>The program is recommended for accreditation for one year (intake batch 2004 only).</p> <ul style="list-style-type: none"> Further accreditation is subject to the strict compliance of all major shortfalls, especially dedicated qualified faculty and establishment of labs at the RCET Campus. It is also proposed that HEC should also be informed for information and necessary follow-up action.
13	Ghulam Ishaque Khan Institute of Engineering Sciences and Technology, Topi - Swabi			
	Program: Visit Type: Visit Date:	B.Sc. Engineering Sciences Re-accreditation 09-10/10/2008	Accredit (Batches not mentioned)	<p>The program is recommended for re-accreditation for two years (intake batch 2004 and 2005 only).</p> <p>Future accreditation is subject to confirmatory visit to verify the compliance of all major weak areas identified in the report especially induction of faculty as proposed in the last PEC visitation report.</p>
14	Wah Engineering College, Wah Cantt. (UET Taxila)			
(a)	Program: Visit Type:	B.Sc. Mechanical Engineering Accreditation	Not Accredited	<p>The program is recommended for accreditation for one year (intake batch 2004 only) affiliated with UET, Taxila.</p>

S.No.	Name of University/ Institution & Program Profile		Existing Status	EA&QEC Decision
	Visit Date:	17-18/06/2008		<ul style="list-style-type: none"> • The College / institute is advised to resolve the legal issues with PEC first and then apply for the Zero Visit or accreditation. Till such time, further induction / intake of students be strictly restricted. • It is also proposed that HEC should be informed for information and necessary follow-up action.
(b)	Program: Visit Type: Visit Date:	B.Sc. Mechatronics Engineering Accreditation 18-19/06/2008	Not Accredited	<p>The program is not recommended for accreditation visit, being in the middle of program without having its required Zero visit, and its affiliation proof with UET, Taxila from the time of induction of this batch.</p> <ul style="list-style-type: none"> • The College / institute is advised to resolve the legal issue with PEC first and then apply for the Zero / accreditation Visit. • It is also proposed that HEC should be informed for information and necessary follow-up action.
(c)	Program: Visit Type: Visit Date:	B.Sc. Electronics Engineering Accreditation 19/06/2008	Not Accredited	<p>The program is recommended for accreditation for one year (intake batch 2004 only) affiliated with UET, Taxila.</p> <ul style="list-style-type: none"> • The College / institute is advised to resolve the legal issues with PEC first and then apply for the Zero Visit required to launch a new program(s) / student induction. • It is also proposed that HEC should also be informed for information and necessary follow-up action.
15	University of Engineering and Technology, Lahore (Faisalabad Campus)			
(a)	Program: Visit Type: Visit Date:	B.Sc. Electronic & Communication Engineering Accreditation 21/10/2008	Not Accredited	<p>The program is recommended for accreditation for one year (intake batch 2005).</p> <p>Before applying for any further accreditation, the University is advised to address all the observations/ weak areas identified in the report, especially qualified faculty, curriculum and lab issues etc. The compliance be intimated to</p>

S.No.	Name of University/ Institution & Program Profile		Existing Status	EA&QEC Decision
				PEC at earliest which will be verified through a confirmatory visit by mid 2009.
(b)	Program: Visit Type: Visit Date:	B.Sc. Mechatronics & Control Engineering Accreditation 22-23/10/2008	Not Accredited	The program is recommended for accreditation for one year (intake batch 2005). Before applying for any further accreditation, the University is advised to address all the observations/ weak areas identified in the report, especially qualified faculty, curriculum and lab issues etc. The compliance be intimated to PEC at earliest which will be verified through a confirmatory visit by mid 2009.
(c)	Program: Visit Type: Visit Date:	B.Sc. Chemical and Process Engineering Accreditation 23-24/10/2008	Not Accredited	The program is recommended for accreditation for one year (intake batch 2005). Before applying for any further accreditation, the University is advised to address all the observations/ weak areas identified in the report, especially qualified faculty, curriculum and lab issues etc. The compliance be intimated to PEC at earliest which will be verified through a confirmatory visit by mid 2009.
(d)	Program:	a) B.Sc Electrical Engineering (session 2004), and b) B.Sc Mechatronics and Control Engineering (session 2004)	Not Accredited	Since the batch 2004 for Mechatronics & Control Engineering program has not been evaluated by PEC Accreditation Team and the students graduated without going through the process of accreditation, a separate review visit is proposed under the 3 rd GB decision for all such left-over batches.
16	Pakistan Air Force-Karachi Institute of Economics and Technology (PAK-KIET), Karachi			
	Program: Visit Type: Visit Date:	B.E. Electronic Re-accreditation 3-4/11/2008	Intake Fall Year 2003 to spring 2004	The program is recommend for re-accreditation for two years only (Intake Batch Fall 2004 to Fall 2005 only). The institution should only take one intake per year with limited strength (till such time the enough resources, faculty / labs, are available) as per PEC guidelines and address all weak areas mentioned in the report in intimation to PEC before next accreditation visit.

S.No.	Name of University/ Institution & Program Profile		Existing Status	EA&QEC Decision
17	Hamdard Institute of Information Technology (HIIT), Karachi Campus (Hamdard University, Karachi)			
	Program: Visit Type: Visit Date:	B.E. Energy Zero 18/11/2008	Not Accredited	The university is allowed to launch a new program w.e.f. first intake batch 2009 under faculty of Engineering & Technology rather than HIIT. However, university is advised to comply with the observations of the visitation team and submit interim visitation form to PEC just after one year of the launch of the program (3 rd / 4 th semester).
18	Hamdard Institute of Information Technology (HIIT), Islamabad Campus (Hamdard University, Karachi)			
	Program: Visit Type: Visit Date:	B.E. Electronic Accreditation 18-19/09/2008	Not Accredited	The program is not recommended for the first batch 2004 (passed out) due to major deficiencies of too short & inappropriate faculty, insufficient labs, and allied facilities. However, the accreditation for on-going batch of 2005 only is recommended subject to confirmatory visit to verify the compliance of the observations / suggestions as mentioned in PEC visit report, before its graduation.
19	Fatima Jinnah Women University, Rawalpindi			
	Program: Visit Type: Visit Date:	B.Sc. Software Engineering Accreditation 22-23/10/2008	Not Accredited	The program is recommended for accreditation for two years (Intake Batch 2004 Spring & Fall, and Batch 2005 only). All observations and guidelines mentioned in the PEC report especially curriculum and lab issues must be rectified with intimation to PEC before next accreditation visit.
20	Sir Syed University of Engineering and Technology, Karachi			
(a)	Program: Visit Type: Visit Date:	B.S. Civil Engineering Re-accreditation 12-13/11/2008	Upto Intake of Batch 2004	The program is recommended for re-accreditation for one year (intake batch 2005 only) The university should reduce student intake as per PEC guidelines and fulfill the observation / deficiencies as mentioned in the report before the next accreditation request.

S.No.	Name of University/ Institution & Program Profile		Existing Status	EA&QEC Decision
(b)	Program: Visit Type: Visit Date:	B.S. Bio Medical Engineering Re-accreditation 13-14/11/2008	Upto Intake of Batch 2004	The program is recommended for re-accreditation for three years (intake batches 2005 to 2007 only). The university is advised to fulfill the observation/ deficiencies as mentioned in the report.
(c)	Program: Visit Type: Visit Date:	B.S. Electronic Engineering Re-Accreditation 21-22/11/2008	Upto 2004.	The program is recommended for one year (intake batch 2005 only). <ul style="list-style-type: none"> • For further accreditation, the major concerns such as very large intake, lack of postgraduate faculty, overloaded labs, insufficient practical time and recommendation agreed by the Vice Chancellor given in the report must be addressed in letter and spirit with intimation to PEC before submission of afresh AC-1 form. • As policy guideline for all institutions / universities agreed upon by PEC/HEC, it is proposed that the following faculty pyramid / breakdown should be observed as minimum requirement in an accredited program: <ul style="list-style-type: none"> i. Lecturer 40 % ii. Asstt. Professor 30 % iii. Assoc. Professor 20 % iv. Professor 10 %
(d)	Program: Visit Type: Visit Date:	B.S. Computer Engineering Re-Accreditation 21-22/11/2008	Upto 2004.	The program is recommended for two years (intake Batches 2005 and 2006 only). For further accreditation, the major concerns such as very large intake, lack of postgraduate faculty, overloaded labs, insufficient practical time and recommendation agreed by the Vice Chancellor given in the report must be addressed in letter and spirit in intimation to PEC before submission of afresh AC-1 form.
21	College of Engineering and Emerging Technologies (CEET), University of the Punjab, Lahore			
	Program: Visit Type: Visit Date:	B.Sc. Electronics & Telecom Engineering Accreditation 28-29/10/2008	Not Accredited	Since the program has serious shortfalls / weaknesses. The accreditation of the program is subject to confirmatory visit by the same team to see compliance pertaining to faculty, curriculum and intake issues before the graduation of senior most batch (intake 2005).

S.No.	Name of University/ Institution & Program Profile		Existing Status	EA&QEC Decision
				It is also proposed that HEC should also be informed for their information and necessary follow-up actions.
22	Islamic International Engineering College, Islamabad (Riphah International University, Islamabad)			
(a)	Program: Visit Type: Visit Date:	B.Sc. Electrical (Communication) Engineering Re-accreditation 25-26/11/2008	From Intake of Batch 1999 upto Fall-2003	The program is recommended for re-accreditation for two years (intake batches Spring 2004 to Fall 2005 only). The university is advised to fulfill the deficiencies/ observations mentioned in visit report especially induction of dedicated faculty and high intake, and intimated to PEC (within 2009) well before submission of fresh AC-1 Form.
(b)	Program: Visit Type: Visit Date:	B.Sc. Electrical Engineering (Electronics) Zero 26-27/11/2008	Not Accredited	The university may start the new program of B.Sc. Electrical Engg. (Electronics) with effect from 2009. <ul style="list-style-type: none"> The total annual intake of students in both the specialization of Electrical Engineering Programs (Communication and Electronics) should not exceed 100 (50 per specialization). An Interim visit will be conducted in first half of year 2010 on the request of the university in compliance of the observations / PEC guidelines.
(c)	Program: Visit Type: Visit Date:	B.Sc. Biomedical Engineering Zero 27-28/11/2008	Not Accredited	The university may start the new program from Spring 2009 with restricted intake to maximum 40 per year only. An Interim visit will be conducted in first half of year 2010 on the request of the university in compliance of the observations / PEC guidelines.
23	Federal Urdu University of Arts, Science and Technology, Islamabad			
	Program: Visit Type: Visit Date:	B.Sc. Electrical (Electronics) Engineering Accreditation 24-25/11/2008	Not Accredited	The program is recommended for accreditation for one year (intake batch 2004 (Morning / Evening only). <ul style="list-style-type: none"> The accreditation for the passing out batch 2005 Spring is subject to written compliance of weak areas by the head of institution before its

S.No.	Name of University/ Institution & Program Profile		Existing Status	EA&QEC Decision
				graduation. <ul style="list-style-type: none"> • Further intake should be strictly reduced to one intake per year against the existing resources (dedicated faculty, labs and required infrastructure etc) available at the Campus.
24	Pakistan Institute of Engineering and Applied Sciences, Islamabad			
	Program: Visit Type: Visit Date:	B.E. Electrical (Power) Zero 20/10/2008	Not Accredited	The university may launch a new program w.e.f. first intake batch 2009. <ul style="list-style-type: none"> • The intake must be restricted to Maximum 40 per section. • Observation of the visiting team must be addressed. • Interim visit during first half of second years is proposed.
25	CECOS University of Information Technology and Emerging Sciences, Peshawar			
(a)	Program: Visit Type: Visit Date:	B.Sc. Civil Engineering Confirmatory 01/12/2008	Upto 2003.	The program is recommended for re-accreditation for two years (intake batches 2004 and 2005 only). The university must address the weak areas before further accreditation and submit afresh AC-1 form at earliest.
(b)	Program: Visit Type: Visit Date:	B.Sc. Electrical Engineering Confirmatory 01/12/2008	Upto 2003.	The program is recommended for re-accreditation for two years (intake batches 2004 and 2005 only). The university must address the weak areas before further accreditation and submit afresh AC-1 form.
26	National University of Computer and Emerging Sciences, Lahore Campus			
(a)	Program: Visit Type: Visit Date:	B.Sc. Computer Engineering Confirmatory 11-12/12/2008	Intake of Batch Fall-2003 only	Both the programs are recommended for re-accreditation for two years (intake batches 2004 and 2005 only). The university must address the weak areas before further

S.No.	Name of University/ Institution & Program Profile		Existing Status	EA&QEC Decision
(b)	Program: Visit Type: Visit Date:	B.Sc. Telecommunication Engineering Confirmatory 11-12/12/2008	Intake of Batch Fall-2003 only	accreditation and submit afresh separate AC-1 form.
27	Foundation University, Islamabad			
	Program: Visit Type: Visit Date:	B.Sc. Telecommunication Engineering Confirmatory 23-24/12/2008	Not Accredited	The program is recommended for accreditation for two years (intake batches 2003 and 2004 only). However, the university must address the weak areas mentioned in the last visit report. It is advised that a fresh AC-1 should be submitted for further accreditation of batch 2005 onwards.
28	NFC Institute of Engineering and Technological Training, Multan (Bahauddin Zakaria University, Mutlan)			
(a)	Program: Visit Type: Visit Date:	B.Sc. Computer System Engineering Re-Accreditation 22-23/09/2008	From Intake of Batch 2001 to 2003	The program is recommended for re-accreditation of one year (intake batch 2004 only). The institute is advised to remove mentioned deficiencies in intimation to PEC before applying for further accreditation.
(b)	Program: Visit Type: Visit Date:	B.Sc. Electronic Engineering Re-Accreditation 22-23/09/2008	From Intake of Batch 2001 to 2003	The program is recommended for re-accreditation for one year (intake batch 2004 only). The institute is advised to remove mentioned deficiencies in intimation to PEC before applying for further accreditation.
29	Sarhad University of Science and Information Technology, Peshawar			
(a)	Program: Visit Type: Visit Date:	B.Sc. Civil Engineering Interim 1-2/01/2008	Not accredited	The program is recommended to precede ahead subject to the rectification / compliance of the weaknesses mentioned in the visit report. The accreditation visit would be conducted in the beginning of final year on submission of AC-1 by the university in the 3 rd year.
(b)	Program: Visit Type: Visit Date:	B.Sc. Electrical Engineering Accreditation 28-29/01/2009	Not accredited	The program is recommended for accreditation for one year (intake batch 2005 only) subject to the written compliance of the Dean/Vice Chancellor that the necessary steps have been taken to address the serious concerns mentioned by the
