	Program	B.Sc. Food Engineering	<p>The 1st Accreditation Visit may be arranged after two months in order to confirm the progress/initiative regarding purchase of equipment in labs and starting construction of new dedicated engineering</p>
	Current Status	Under Process	
	Visit Type	Confirmatory (of Interim)	

	Date of Visit	October 28, 2015	<p>block subject to issuance of the development budget for the program and start of development work.</p> <p>As the batch 2011 has passed-out, therefore the presence of students pertaining to this batch may be ensured in the final accreditation visit in order to interact with them.</p> <p>It was observed that the whole younger faculty including those having PhD in Food Engineering are not comfortable with the working of retired teachers/re-appointments whose basic degree is Agricultural Engineering, and therefore the faculty is not developed in the related discipline. The number of teachers without basic degree of Food Engineering must be limited. The retired professors have been re-hired on Rs.75,000/- as subject experts may fulfill the purpose/requirement for the time being; however, it is recommended that, after the appointment of relevant faculty of Food engineering, this concept of hiring the retired lot may be discouraged.</p>
