	Program	B.Sc. Electrical Engineering	<p>Re-accreditation is granted for Two years i.e., Intake Batches 2013 &amp; 2014 (Spring &amp; Fall).</p> <p>The institute is advised for adherence of allowed intake of 80 students per year in Fall only. The Committee showed serious concern on violating increased number of students and DAE seats than allowed in years Fall 2013 – Spring 2014, Fall 2014 – Spring 2015 &amp; Fall 2016 and advised to adhere to PEC policies in this regard, which otherwise are liable to imposition of penalties.</p> <p>The university is also advised to adopt Outcome - Based Education (OBE) system in all engineering programs and submit an early Self-Assessment Report (SAR) before the graduation of intake batch 2015 in order to cover accreditation under level-II (Accreditation Manual 2014) to benefit the students. The deadline to submit SAR for the purpose of re-accreditation is June, 2018 along-with at-least assessment data of One academic unit / semester (implementation in all Even or Odd 04 semesters). After which, no application will be accepted on AC-1 guidelines (Accreditation Manual – 2007).</p> <p>The observations/Concern/weak areas identified by the PEC visitation team must be addressed. Further to observe CQI, university/institute has to submit separate progress report along with evidence to PEC, while applying for re-accreditation.</p>

<b>09.</b>	<b>Islamic International Engineering College, Islamabad (Riphah International University, Islamabad)</b>		
	Program	B.Sc. Electrical Engineering and B.Sc. Electrical (Communication) Engineering	Based on satisfactory level of compliance against accreditation criteria/ quality standards, particularly the breadth and depth of the curriculum, QMS, implementation of the Outcome Based Assessment procedures & CQI, re-accreditation is granted for two years i.e., Intake Batches 2013 and 2014 under Level-II of First Schedule subject to verification with evidence on PLOs & CLOs assessment.  The university is advised to establish Final Year Design Project Lab and addition of more workstations in all labs along-with enhancement of space in Labs / Workshop before subsequent PEC visit.  The Committee showed serious concern on violating increased number of DAE than allowed in years before Fall-2016 and advised to adhere to PEC policies in this regard, which otherwise are liable to imposition of penalties.  The Institution, however, is expected to address weak areas / concerns particularly for the Criteria 2, 3 & 8. Furthermore, all other observations as mentioned in the detailed report be addressed as a part of its CQI process before applying for re-accreditation visit.

**Zone-I (Punjab)**

S#	Name of University/Program Profile		Decision of 83-EA&QEC/EAB
<b>01.</b>	<b>University of Engineering and Technology, Lahore (Narowal Campus)</b>		
a.	Program	B.Sc. Civil Engineering	<p>The Committee approved the transfer of 47 students of the Batch Fall-2014 from UET Rasul to UET, Lahore (Narowal campus) and allowed to continue their studies at UET, Narowal Campus as one time dispensation.</p> <p>The university is also advised to adopt Outcome - Based Education (OBE) system in all engineering programs and submit the Self-Assessment Report (SAR), inline with Accreditation Manual – 2014 Criteria. The deadline to submit SAR for the purpose of accreditation is June, 2018 along-with at-least assessment data of One academic unit / semester (implementation in all Even or Odd 04 semesters). After which, no application will be accepted on AC-1 guidelines (Accreditation Manual – 2007).</p> <p>The observations/Concern/weak areas identified by the PEC visitation team must be addressed. Further to observe CQI, university/institute has to submit separate progress report along with evidence to PEC, while applying for accreditation.</p>
