

Annex-A

to the Minutes of 83-EA&QEC/EAB Meeting held on October 16-17, 2017 at PEC HQ, Islamabad.

**Agenda Item No. 06 (a) Consideration of PEC Visit Reports
(Accreditation Manual-2007, Level-I)**
[Accreditation/Re-accreditation, Confirmatory, Re-visit]

Zone-I (Punjab)

S#	Name of University/Program Profile		Decision of 83-EA&QEC/EAB
01.	COMSATS Institute of Information Technology, Islamabad (Attock Campus)		
	Program	B.Sc. Electrical Engineering	<p>Re-accreditation is granted for Two years i.e., Intake Batches 2013 & 2014 (Spring & Fall).</p> <p>The institute is advised for adherence of allowed intake of 80 students per year in Fall only. The Committee showed serious concern on violating increased number of students and DAE seats than allowed in years Fall 2013 – Spring 2014, Fall 2014 – Spring 2015 & Fall 2016 and advised to adhere to PEC policies in this regard, which otherwise are liable to imposition of penalties.</p> <p>The university is also advised to adopt Outcome - Based Education (OBE) system in all engineering programs and submit an early Self-Assessment Report (SAR) before the graduation of intake batch 2015 in order to cover accreditation under level-II (Accreditation Manual 2014) to benefit the students. The deadline to submit SAR for the purpose of re-accreditation is June, 2018 along-with at-least assessment data of One academic unit / semester (implementation in all Even or Odd 04 semesters). After which, no application will be accepted on AC-1 guidelines (Accreditation Manual – 2007).</p> <p>The observations/Concern/weak areas identified by the PEC visitation team must be addressed. Further to observe CQI, university/institute has to submit separate progress report along with evidence to PEC, while applying for re-accreditation.</p>
	Current Status		
	Visit Type	Re-accreditation	
	Date of Visit	April 24-25, 2017	

S#	Name of University/Program Profile		Decision of 83-EA&QEC/EAB
02.	National University of Computer and Emerging Science Islamabad (Lahore Campus)		
a.	Program	B.S. in Civil Engineering	Re-accreditation is granted for Two years i.e., Intake Batches 2013 & 2014.
	Current Status		The institute is advised for adherence of allowed intake of 80 students per year in Fall only.
	Visit Type	Re-accreditation	
	Date of Visit	April 10-11, 2017	<p>The Committee showed serious concern on violating increased number of students than allowed in year Fall 2015 and advised to adhere to PEC policies in this regard, which otherwise are liable to imposition of penalties.</p> <p>The university is also advised to adopt Outcome - Based Education (OBE) system in all engineering programs and submit the Self-Assessment Report (SAR) in subsequent re-accreditation application, inline with Accreditation Manual – 2014 Criteria. The deadline to submit SAR for the purpose of re-accreditation is June, 2018 along-with at-least assessment data of One academic unit / semester (implementation in all Even or Odd 04 semesters). After which, no application will be accepted on AC-1 guidelines (Accreditation Manual – 2007).</p> <p>The observations/Concern/weak areas identified by the PEC visitation team specially regarding course folders and lab safety measures must be addressed. Further, to observe CQI, university/institute has to submit separate progress report along with evidence to PEC, while applying for re-accreditation.</p>
b.	Program	B.S. in Electrical Engineering	Re-accreditation is granted for Three years i.e. Intake Batches 2013, 2014 & 2015.
	Current Status		
	Visit Type	Re-Accreditation	
	Date of Visit	April 20-21, 2017	<p>The university is also advised to adopt Outcome - Based Education (OBE) system in all engineering programs and submit the Self-Assessment Report (SAR) in subsequent re-accreditation application, inline with Accreditation Manual – 2014 Criteria. The deadline to submit SAR for the purpose of re-</p>

S#	Name of University/Program Profile	Decision of 83-EA&QEC/EAB
		<p>accreditation is June, 2018 along-with at-least assessment data of One academic unit / semester (implementation in all Even or Odd 04 semesters). After which, no application will be accepted on AC-1 guidelines (Accreditation Manual – 2007).</p> <p>The observations/Concern/weak areas identified by the PEC visitation team must be addressed. Further, to observe CQI, university/institute has to submit separate progress report along with evidence to PEC, while applying for re-accreditation.</p>

03.	COMSATS Institute of Information Technology, Islamabad (Attock Campus)		
	Program	B.Sc. Computer Engineering	<p>Re-accreditation is granted for One year i.e., Intake Batch 2013 only.</p> <p>The institute is advised for adherence of allowed intake of 40 students per year in Fall only.</p> <p>The Committee showed serious concern on violating increased number of students and DAE seats than allowed in years Fall 2016 and advised to adhere to PEC policies in this regard, which otherwise are liable to imposition of penalties.</p> <p>Further it was advised to comply on the following observations before applying for next re-accreditation visit.</p> <ol style="list-style-type: none"> a. Establishment of separate Computer Engineering Department. b. Minimum 08 dedicated relevant faculty is required for section of 40 students. c. Increase the number of relevant titles of program related books as per PEC requirement. <p>The university is also advised to adopt Outcome - Based Education (OBE) system in all engineering programs and submit the Self-Assessment Report (SAR) in subsequent re-accreditation application, inline with Accreditation Manual – 2014 Criteria. 04. COMSATS Institute of Information Technology, Islamabad (Lahore Campus)			
a.	Program	B.Sc. Electrical (Electronics) Engineering	Re-accreditation is granted for years i.e., Intake Batches Fall-2013 & Spring-2014.
	Current Status		The institute is advised for adherence of allowed intake of 40 students per year in Fall only.
	Visit Type	Re-accreditation	
	Date of Visit	May 5-6, 2017	<p>The Committee showed serious concern on violating increased number of students and DAE seats than allowed in years Fall 2016 and advised to adhere to PEC policies in this regard, which otherwise are liable to imposition of penalties.</p> <p>Vice Chancellor's commitment for:</p> <ol style="list-style-type: none"> a. Not admitting students more than allowed. b. Not violating DAEs more than allowed. <p>The university is also advised to adopt Outcome - Based Education (OBE) system in all engineering programs and submit the Self-Assessment Report (SAR) in subsequent re-accreditation application, inline with Accreditation Manual – 2014 Criteria. The deadline to submit SAR for the purpose of re-accreditation is June, 2018 along-with at-least assessment data of One academic unit / semester (implementation in all Even or Odd 04 semesters). After which, no application will be accepted on AC-1 guidelines (Accreditation Manual – 2007).</p> <p>The observations/Concern/weak areas identified by the PEC visitation team must be addressed. Further to observe CQI,</p>

			university/institute has to submit separate progress report along with evidence to PEC, while applying for re-accreditation.
b.	Program	Bachelor of Science in Electrical (Telecommunication) Engineering	Re-accreditation is granted for Two years i.e., Intake Batches 2013 & 2014 (Spring & Fall).
	Current Status		The institute is advised for adherence of allowed intake of 100 students per year in Fall only.
	Visit Type	Re-accreditation	
	Date of Visit	July 27-28, 2017	<p>The Committee showed serious concern on violating increased number of students and DAE seats than allowed in years Fall 2014 & Spring 2015 and advised to adhere to PEC policies in this regard, which otherwise are liable to imposition of penalties.</p> <p>The university is also advised to adopt Outcome - Based Education (OBE) system in all engineering programs and submit the Self-Assessment Report (SAR) in subsequent re-accreditation application, inline with Accreditation Manual – 2014 Criteria. The deadline to submit SAR for the purpose of re-accreditation is June, 2018 along-with at-least assessment data of One academic unit / semester (implementation in all Even or Odd 04 semesters). After which, no application will be accepted on AC-1 guidelines (Accreditation Manual – 2007).</p> <p>The observations/Concern/weak areas identified by the PEC visitation team must be addressed. Further to observe CQI, university/institute has to submit separate progress report along with evidence to PEC, while applying for re-accreditation.</p>
c.	Program	Bachelor of Science in Computer Engineering	Re-accreditation is granted for Two years i.e. from Intake Batch Fall-2013 to Spring-2015.
	Current Status		
	Visit Type	Re-accreditation	

	Date of Visit	July 28-29, 2017	<p>The institute is advised for adherence of allowed intake of 100 students per year in Fall only.</p> <p>The university is advised that qualified PhD (Core Engg.) faculty member be assigned the position of HoD before next re-accreditation request.</p> <p>The Committee advised to Establish a separate Computer Engineering Department and labs as identified in visit report before applying for next re-accreditation visit.</p> <p>The university is also advised to adopt Outcome - Based Education (OBE) system in all engineering programs and submit the Self-Assessment Report (SAR) in subsequent re-accreditation application, inline with Accreditation Manual – 2014 Criteria. The deadline to submit SAR for the purpose of re-accreditation is June, 2018 along-with at-least assessment data of One academic unit / semester (implementation in all Even or Odd 04 semesters). After which, no application will be accepted on AC-1 guidelines (Accreditation Manual – 2007).</p> <p>The observations/Concern/weak areas identified by the PEC visitation team must be addressed. Further to observe CQI, university/institute has to submit separate progress report along with evidence to PEC, while applying for re-accreditation.</p>
d.	Program	B.S. Chemical Engineering	<p>Re-accreditation is granted for Two years i.e. from Intake Batches 2014 & 2015 (Spring & Fall).</p> <p>The institute is advised for adherence of allowed intake of 100 students per year in Fall only. The Committee showed serious concern on violating increased number of students and DAE seats than allowed in years Fall 2013 & 2014 and advised to adhere to PEC policies in this regard, which otherwise are liable to imposition of penalties.</p> <p>The university is also advised to adopt Outcome - Based Education (OBE) system in all engineering programs and</p>

			<p>submit the Self-Assessment Report (SAR) in subsequent re-accreditation application, inline with Accreditation Manual – 2014 Criteria. The deadline to submit SAR for the purpose of re-accreditation is June, 2018 along-with at-least assessment data of One academic unit / semester (implementation in all Even or Odd 04 semesters). After which, no application will be accepted on AC-1 guidelines (Accreditation Manual – 2007).</p> <p>Compliance on observations / Concern / Weak areas identified by the PEC visitation team must be address and intimate to PEC before applying for next re-accreditation visit. Further to observe CQI, university/institute has to submit separate progress report along with evidence to PEC, while applying for re-accreditation.</p>
--	--	--	---

05. COMSATS Institute of Information Technology, Islamabad (Wah Campus)			
	Program	B.S. Civil Engineering	<p>Re-accreditation is granted for Two years i.e. from Intake Batches Fall-2013 & Fall-2014.</p> <p>The institute is advised for adherence of allowed intake of 80 students per year in Fall only.</p> <p>The Committee showed serious concern on violating increased number of students and DAE seats than allowed in year 2015 and advised to adhere to PEC policies in this regard, which otherwise are liable to imposition of penalties.</p> <p>The university is also advised to adopt Outcome - Based Education (OBE) system in all engineering programs and submit the Self-Assessment Report (SAR) in subsequent re-accreditation application, inline with Accreditation Manual – 2014 Criteria. The deadline to submit SAR for the purpose of re-accreditation is June, 2018 along-with at-least assessment data of One academic unit / semester (implementation in all Even or Odd 04 semesters). After which, no application will be accepted on AC-1 guidelines (Accreditation Manual – 2007).</p>
	Current Status		
	Visit Type	Re-Accreditation	
	Date of Visit	July 19-20, 2017	

			The observations/Concern/weak areas identified by the PEC visitation team must be addressed. Further to observe CQI, university/institute has to submit separate progress report along with evidence to PEC, while applying for re-accreditation
--	--	--	--

06. COMSATS Institute of Information Technology, Sahiwal Campus			
	Program	B.S. Electrical Engineering	<p>Accreditation is granted for one year i.e. Intake Batch 2014 (Spring & Fall).</p> <p>The institute is advised for adherence of allowed intake of 80 students per year in Fall only.</p> <p>The university is also advised to adopt Outcome - Based Education (OBE) system in all engineering programs and submit the Self-Assessment Report (SAR) in subsequent re-accreditation application, inline with Accreditation Manual – 2014 Criteria. The deadline to submit SAR for the purpose of re-accreditation is June, 2018 along-with at-least assessment data of One academic unit / semester (implementation in all Even or Odd 04 semesters). After which, no application will be accepted on AC-1 guidelines (Accreditation Manual – 2007).</p> <p>Compliance on observations / Concern / Weak areas identified by the PEC visitation team specially for PhD in Electrical Power Engineering must be address and intimate to PEC before applying for next re-accreditation visit. Further, to observe CQI, university/institute has to submit separate progress report along with evidence to PEC, while applying for re-accreditation.</p>
	Current Status		
	Visit Type	Re-Accreditation	
	Date of Visit	August 3-4, 2017	
	Program	B.Sc. Mechanical Engineering	<p>Re-accreditation is recommended for one year i.e. from Intake Batch 2013 (Spring & Fall)</p>
	Current Status		
	Visit Type	Re-accreditation	

	Date of Visit	July 27-28, 2017	<p>2014 subject to hiring Core MS Engineering or higher qualified faculty to bring student teacher ratio to 20:1</p> <p>The institute is advised for adherence of allowed intake of 160 students per year in Fall only. The Committee showed concern on violating increased number of students than allowed in year Fall 2015 and advised to adhere to PEC policies in this regard, which otherwise are liable to imposition of penalties. Also the student teacher ratio should be brought to below 20:1 by appointing engineering qualified dedicated faculty with MS /PhD.</p> <p>The university is also advised to adopt Outcome - Based Education (OBE) system in all engineering programs and submit the Self-Assessment Report (SAR) in subsequent re-accreditation application, inline with Accreditation Manual – 2014 Criteria. The deadline to submit SAR for the purpose of re-accreditation is June, 2018 along-with at-least assessment data of One academic unit / semester (implementation in all Even or Odd 04 semesters). After which, no application will be accepted on AC-1 guidelines (Accreditation Manual – 2007).</p> <p>Compliance on observations / Concern / Weak areas identified by the PEC visitation team must be addressed and intimate to PEC before applying for next re-accreditation visit. Further, to observe CQI, university/institute has to submit separate progress report along with evidence to PEC, while applying for re-accreditation.</p>
--	---------------	------------------	---

07.	Intellectual, Unique, Superior, Entrepreneurial - School of Engineering and Management Sciences, Rawalpindi (UET, Taxila)		
	Program	B.Sc. Electrical Engineering	Re-accreditation is granted for one year i.e. for Intake Batch 2013 (Spring & Fall) only.
	Current Status		
	Visit Type	Re-accreditation	

	Date of Visit	May 5-6, 2017	<p>Further re-accreditation request will be subject to the compliance on the followings:</p> <ul style="list-style-type: none"> i. No further admission for Fall 2017. ii. Tangible evidence be provided to establish dedicated campus and its commencement to start construction work well before next admissions. Otherwise, next admissions is also not allowed. iii. Plan of shifting in the new campus within one year. iv. Necessary improvement to suffice the requirements of Section-B of PEC AC-2 Form (Academic Buildings and other allied facilities etc.). <p>The committee directed to write a letter to UET Taxila for ensuring the compliance of PEC policies by the institute in true letter and spirit.</p> <p>It was also decided to inform HEC and publish in newspapers / media that further intake is not allowed to institute.</p>
--	---------------	---------------	---

08.	University of Engineering and Technology, Taxila (Main Campus)		
Program	B.Sc. Environmental Engineering		Re-accreditation is granted for one year i.e. Intake Batch 2013.
Current Status			The university is also advised to adopt Outcome - Based Education (OBE) system in all engineering programs and submit the Self-Assessment Report (SAR) in subsequent re-accreditation application, inline with Accreditation Manual – 2014 Criteria. The deadline to submit SAR for the purpose of re-accreditation is June, 2018 along-with at-least assessment data of One academic unit / semester (implementation in all Even or Odd 04 semesters). After which, no application will be accepted on AC-1 guidelines (Accreditation Manual – 2007).
Visit Type	Confirmatory		
Date of Visit	July 25, 2017 (Last visit date June 17-18, 2016)		
			Compliance on observations / Concern / Weak areas identified by the PEC visitation team must be address and intimate to PEC before applying for next re-accreditation visit. Further, to observe CQI, university/institute has to submit

			separate progress report along with evidence to PEC, while applying for re-accreditation.
--	--	--	---

09. Swedish College of Engineering and Technology, Wah Cantt.			
a.	Program	B.Sc. Electrical Engineering	Re-accreditation is granted for Two years i.e., Intake Batches 2013 & 2014.
	Current Status		
	Visit Type	Re-accreditation	The university is also advised to adopt Outcome - Based Education (OBE) system in all engineering programs and submit the Self-Assessment Report (SAR) in subsequent re-accreditation application, inline with Accreditation Manual – 2014 Criteria. The deadline to submit SAR for the purpose of re-accreditation is June, 2018 along-with at-least assessment data of One academic unit / semester (implementation in all Even or Odd 04 semesters). After which, no application will be accepted on AC-1 guidelines (Accreditation Manual – 2007). The observations/Concern/weak areas identified by the PEC visitation team, particularly increase in number of works stations must be addressed. Further to observe CQI, university/institute has to submit separate progress report along with evidence to PEC, while applying for re-accreditation.
	Date of Visit	May 9-10, 2017	
b.	Program	B.Sc. Mechanical Engineering	Re-accreditation is granted for one year i.e., Intake Batch 2013.
	Current Status		
	Visit Type	Re-accreditation	The institute is advised for adherence of allowed intake of 80 students per year in Fall only. The Committee showed serious concern on violating increased number of students and DAE seats than allowed in years up to Fall-2016 and advised to adhere to PEC policies in this regard, which otherwise are liable to imposition of penalties.
	Date of Visit	May 10-11, 2017	

			<p>Next re-accreditation visit request will be entertained subject to compliance on the following:</p> <ol style="list-style-type: none"> Establishment of Mechanical Vibrations, Power Plant, Advance Manufacturing, and Control Engineering labs. Increase number of work stations in labs as per PEC visit report. Increase the number of relevant titles of program related books as per PEC requirement. <p>The university is also advised to adopt Outcome - Based Education (OBE) system in all engineering programs and submit the Self-Assessment Report (SAR) in subsequent re-accreditation application, inline with Accreditation Manual – 2014 Criteria. The deadline to submit SAR for the purpose of re-accreditation is June, 2018 along-with at-least assessment data of One academic unit / semester (implementation in all Even or Odd 04 semesters). After which, no application will be accepted on AC-1 guidelines (Accreditation Manual – 2007).</p> <p>The observations/Concern/weak areas identified by the PEC visitation team must be addressed. Further to observe CQI, university/institute has to submit separate progress report along with evidence to PEC, while applying for re-accreditation.</p>
--	--	--	---

10.	Wah Engineering College, Wah Cantt.		
a.	Program	B.Sc. Mechanical Engineering	Re-accreditation is granted for one year i.e., Intake Batch 2013.
	Current Status		The institute is advised for adherence of allowed intake of 50 students per year in Fall only. The Committee showed serious concern on violating increased number of students than allowed in years 2013 to 2015 and advised to adhere to PEC policies in this regard, which otherwise are liable to imposition of penalties.
	Visit Type	Re-Accreditation	
	Date of Visit	May 11-12, 2017	
			The university is also advised to adopt Outcome - Based Education (OBE) system in all engineering programs and

			<p>submit the Self-Assessment Report (SAR) in subsequent re-accreditation application, inline with Accreditation Manual – 2014 Criteria. The deadline to submit SAR for the purpose of re-accreditation is June, 2018 along-with at-least assessment data of One academic unit / semester (implementation in all Even or Odd 04 semesters). After which, no application will be accepted on AC-1 guidelines (Accreditation Manual – 2007).</p> <p>The observations/Concern/weak areas identified by the PEC visitation team must be addressed. Further to observe CQI, university/institute has to submit separate progress report along with evidence to PEC, while applying for re-accreditation.</p>
b.	Program	B.Sc. Mechatronics Engineering	Re-accreditation is granted for one year i.e., Intake Batch 2013.
	Current Status		
	Visit Type	Re-Accreditation	From accreditation history it is evident that the program is weak since it has been accredited for 01 year consecutively for 2 terms. This accreditation of one year based qualifying the minimum criteria may be considered as last warning. Next re-accreditation request will be subject to comprehensive compliance on major weak areas and concerns as identified in all accreditation visit reports.
	Date of Visit	September 18-19, 2017	<p>The institute is advised for adherence of allowed intake of 50 students per year in Fall only. The Committee showed serious concern on violating increased number of students and DAE seats than allowed in years 2013 & 2014 and advised to adhere to PEC policies in this regard, which otherwise are liable to imposition of penalties.</p> <p>The Committee advised to comply on the following before applying for next re-accreditation visit:</p> <ol style="list-style-type: none"> a. Redesigning of Curriculum as per HEC/PEC guidelines. b. Up gradation of all Labs as per PEC visit report. c. Synchronization of lab experiments with respective theory course.

			<p>The university is also advised to adopt Outcome - Based Education (OBE) system in all engineering programs and submit the Self-Assessment Report (SAR) in subsequent re-accreditation application, inline with Accreditation Manual – 2014 Criteria. The deadline to submit SAR for the purpose of re-accreditation is June, 2018 along-with at-least assessment data of One academic unit / semester (implementation in all Even or Odd 04 semesters). After which, no application will be accepted on AC-1 guidelines (Accreditation Manual – 2007).</p> <p>The observations / Concern / weak areas identified by the PEC visitation team must be addressed. Further to observe CQI, university / institute has to submit separate progress report along with evidence to PEC, while applying for re-accreditation.</p>
--	--	--	--

11.	Fatima Jinnah Women University, Rawalpindi		
	Program	B.Sc. Software Engineering	<p>Re-accreditation is granted for one year i.e., Intake Batch 2010. No further admission is allowed.</p> <p>For consideration of re-accreditation request, the institute is advised to address all the weak areas identified in visit report in true letter and spirit.</p> <p>The committee directed to write a letter to Vice Chancellor for ensuring the compliance of PEC policies by the institute in true letter and spirit.</p> <p>It was also decided to inform HEC and publish in newspapers / media that further intake is not allowed to university.</p>
	Current Status		
	Visit Type	Re-accreditation	
	Date of Visit	April 19-20, 2017	

12.	Foundation University Rawalpindi Campus / Foundation University Institute of Engineering and Management Sciences		
	Program	B.Sc. Electrical Engineering	<p>Re-accreditation is granted for two years i.e., Intake Batches 2014 & 2015.</p> <p>The university is also advised to adopt Outcome - Based Education (OBE) system in all engineering programs and submit the Self-Assessment Report</p>
	Current Status		

	Visit Type	Re-Accreditation	(SAR) in subsequent re-accreditation application, inline with Accreditation Manual – 2014 Criteria. The deadline to submit SAR for the purpose of re-accreditation is June, 2018 along-with at-least assessment data of One academic unit / semester (implementation in all Even or Odd 04 semesters). After which, no application will be accepted on AC-1 guidelines (Accreditation Manual – 2007).
	Date of Visit	June 12-13, 2017	
			The observations/Concern/weak areas identified by the PEC visitation team must be addressed. Further to observe CQI, university/institute has to submit separate progress report along with evidence to PEC, while applying for re-accreditation.

13.	Government College University, Faisalabad		
	Program	B.Sc. Electrical (Telecommunication) Engineering	Re-accreditation is granted for one year i.e., Intake Batch 2012 only.
	Current Status		From accreditation history it is evident that the program is weak since it has been accredited for 01 year consecutively for 2 terms. This accreditation of one year based qualifying the minimum criteria may be considered as last warning. Next re-accreditation request will be subject to comprehensive compliance on major weak areas and concerns as identified in all accreditation visit reports.
	Visit Type	Re-accreditation	
	Date of Visit	May 22-23, 2017	
			The institute is advised for adherence of allowed intake of 80 students per year in Fall only. The Committee showed serious concern on violating increased number of students and DAE seats than allowed in year 2015 and advised to adhere to PEC policies in this regard, which otherwise are liable to imposition of penalties.
			Re-accreditation of Intake Batch 2013 is also recommended subject to compliance on the following observations and intimate to PEC:
			<ul style="list-style-type: none"> a. Hiring of at-least one more Ph.D core engineering faculty. b. Establishment of Computer Communication and Networking (CCN) lab.

			<p>c. Ensure the availability of Splicing equipment for optical fiber experiment in the Microwave, Antenna & Satellite Lab.</p> <p>The university is also advised to adopt Outcome - Based Education (OBE) system in all engineering programs and submit the Self-Assessment Report (SAR) in subsequent re-accreditation application, inline with Accreditation Manual – 2014 Criteria. The deadline to submit SAR for the purpose of re-accreditation is June, 2018 along-with at-least assessment data of One academic unit / semester (implementation in all Even or Odd 04 semesters). After which, no application will be accepted on AC-1 guidelines (Accreditation Manual – 2007).</p> <p>The observations / Concern / weak areas identified by the PEC visitation team must be addressed. Further to observe CQI, university/institute has to submit separate progress report along with evidence to PEC, while applying for re-accreditation.</p>
--	--	--	--

14.	University of Central Punjab, Lahore		
	Program	B.Sc. Civil Engineering	<p>Accreditation is granted for one year i.e., Intake Batch 2013 only.</p> <p>The university is also advised to adopt Outcome - Based Education (OBE) system in all engineering programs and submit the Self-Assessment Report (SAR) in subsequent re-accreditation application, inline with Accreditation Manual – 2014 Criteria. The deadline to submit SAR for the purpose of re-accreditation is June, 2018 along-with at-least assessment data of One academic unit / semester (implementation in all Even or Odd 04 semesters). After which, no application will be accepted on AC-1 guidelines (Accreditation Manual – 2007).</p> <p>The observations/Concern/weak areas identified by the PEC visitation team must be addressed. Further to observe CQI, university/institute has to submit separate progress report along with evidence to PEC, while applying for re-accreditation.</p>
	Current Status		
	Visit Type	Accreditation	
	Date of Visit	May 22-23, 2017	

15. University of Gujrat, Gujrat			
	Program	B.Sc. Electrical Engineering	<p>Re-accreditation is granted for one year i.e., Intake Batch 2013 subject to compliance on the following observations and intimate to PEC:-</p> <p>a. Hiring of at-least one more Ph.D core engineering experienced faculty (Professor or Associate Professor level)</p> <p>b. Establishment of Power Systems Lab. the same observation was also reported by previous PEC visit report.</p> <p>c. Increase number of workstation and experiments in Instrumentation & Measurement lab.</p> <p>d. Ensure the availability of digital oscilloscopes (GHz frequency range), logic ensure analyzer, Antenna and Microwave trainers in communication lab.</p> <p>The university is also advised to adopt Outcome - Based Education (OBE) system in all engineering programs and submit the Self-Assessment Report (SAR) in subsequent re-accreditation application, inline with Accreditation Manual – 2014 Criteria. The deadline to submit SAR for the purpose of re-accreditation is June, 2018 along-with at-least assessment data of One academic unit / semester (implementation in all Even or Odd 04 semesters). After which, no application will be accepted on AC-1 guidelines (Accreditation Manual – 2007).</p> <p>The observations/Concern/weak areas identified by the PEC visitation team must be addressed. Further to observe CQI, university/institute has to submit separate progress report along with evidence to PEC, while applying for re-accreditation.</p>
	Current Status		
	Visit Type	Re-accreditation	
	Date of Visit	August 7-8, 2017	

16. College of Textile Engineering, Multan (BZU Multan)			
	Program	B.Sc. Textile Engineering	<p>Re-accreditation is granted for one year i.e. Intake Batch 2012.</p>
	Current Status		
	Visit Type	Confirmatory	

	Date of Visit	July 17, 2017 (Last visit date: March 8-9, 2016)	<p>The institute is advised for adherence of allowed intake of 40 students per year in Fall only. The Committee showed serious concern on violating increased number of students and DAE seats than allowed in years 2012 to 2016 and to adhere to PEC policies in this regard, which otherwise are liable to imposition of penalties.</p> <p>The university is also advised to adopt Outcome - Based Education (OBE) system in all engineering programs and submit the Self-Assessment Report (SAR) in subsequent re-accreditation application, inline with Accreditation Manual – 2014 Criteria. The deadline to submit SAR for the purpose of re-accreditation is June, 2018 along-with at-least assessment data of One academic unit / semester (implementation in all Even or Odd 04 semesters). After which, no application will be accepted on AC-1 guidelines (Accreditation Manual – 2007).</p> <p>The observations/Concern/weak areas identified by the PEC visitation team must be addressed. Further to observe CQI, university/institute has to submit separate progress report along with evidence to PEC, while applying for re-accreditation.</p>
--	---------------	--	---

17. University College of Agriculture, Multan (BZU, Multan)			
	Program	B.Sc. Agricultural Engineering	<p>Re-accreditation is granted for three years i.e. Intake Batches 2012, 2013 & 2014.</p> <p>The institute is advised for adherence of allowed intake of 50 students per year in Fall only.</p>
	Current Status		
	Visit Type		
	Date of Visit	May 29-3, 2017	<p>The university is also advised to adopt Outcome - Based Education (OBE) system in all engineering programs and submit the Self-Assessment Report (SAR) in subsequent re-accreditation application, inline with Accreditation Manual – 2014 Criteria. The deadline to submit SAR for the purpose of re-accreditation is June, 2018 along-with at-least assessment data of One academic unit / semester (implementation in all Even or Odd 04 semesters). After which, no application will be accepted on AC-1 guidelines (Accreditation Manual – 2007).</p>

			The observations/Concern/weak areas identified by the PEC visitation team must be addressed. Further to observe CQI, university/institute has to submit separate progress report along with evidence to PEC, while applying for re-accreditation.
--	--	--	---

18. Rachna College of Engineering & Technology, Gujranwala			
a.	Program	B.Sc. Electrical Engineering	Re-accreditation is granted for two years i.e. Intake Batches 2013 and 2014.
	Current Status		
	Visit Type	Re-Accreditation	The university is advised that qualified PhD (Core Engg.) faculty member be assigned the position of HoD before next re-accreditation request. The university is also advised to adopt Outcome - Based Education (OBE) system in all engineering programs and submit the Self-Assessment Report (SAR) in subsequent re-accreditation application, inline with Accreditation Manual – 2014 Criteria. The deadline to submit SAR for the purpose of re-accreditation is June, 2018 along-with at-least assessment data of One academic unit / semester (implementation in all Even or Odd 04 semesters). After which, no application will be accepted on AC-1 guidelines (Accreditation Manual – 2007). The observations/Concern/weak areas identified by the PEC visitation team must be addressed. Further to observe CQI, university/institute has to submit separate progress report along with evidence to PEC, while applying for re-accreditation.
	Date of Visit	July 28-29, 2017	
b.	Program	B.Sc. Industrial & Manufacturing Engineering	Re-accreditation is granted for two years i.e. Intake Batches 2013 & 2014.
	Current Status		
	Visit Type	Re-Accreditation	

	Date of Visit	September 15-16, 2017	<p>The Committee advised to comply on the following observations before applying for next re-accreditation visit.</p> <ul style="list-style-type: none"> a. Establishment of dedicated Human Factor Engineering Lab and Computer Lab b. Minimum 10 dedicated relevant faculty is required for section of 50 students. c. Enhancement of Labs staffs (Lab Engg, Lab Attended) d. Increase the number of relevant titles as per PEC requirement. e. Curriculum needs to be revised inline with HEC /PEC guidelines. <p>The university is also advised to adopt Outcome - Based Education (OBE) system in all engineering programs and submit the Self-Assessment Report (SAR) in subsequent re-accreditation application, inline with Accreditation Manual – 2014 Criteria. The deadline to submit SAR for the purpose of re-accreditation is June, 2018 along-with at-least assessment data of One academic unit / semester (implementation in all Even or Odd 04 semesters). After which, no application will be accepted on AC-1 guidelines (Accreditation Manual – 2007).</p> <p>The observations/Concern/weak areas identified by the PEC visitation team must be addressed. Further to observe CQI, university/institute has to submit separate progress report along with evidence to PEC, while applying for re-accreditation.</p>
--	---------------	-----------------------	---

19.	Quaid-e-Azam College of Engineering and Technology, Sahiwal		
a.	Program	B.Sc. Electrical Engineering	Re-accreditation is granted for one year i.e. Intake Batch 2013.
Current Status			
Visit Type	Accreditation		

	Date of Visit	July 12-13, 2017	<p>Intake should be restricted to 40 students per year in Fall only.</p> <p>The university is also advised to adopt Outcome - Based Education (OBE) system in all engineering programs and submit the Self-Assessment Report (SAR) in subsequent re-accreditation application, inline with Accreditation Manual – 2014 Criteria. The deadline to submit SAR for the purpose of re-accreditation is June, 2018 along-with at-least assessment data of One academic unit / semester (implementation in all Even or Odd 04 semesters). After which, no application will be accepted on AC-1 guidelines (Accreditation Manual – 2007).</p> <p>The observations/Concern/weak areas identified by the PEC visitation team must be addressed. Further to observe CQI, university/institute has to submit separate progress report along with evidence to PEC, while applying for re-accreditation.</p>
b.	Program	B.Sc. Civil Engineering	Re-accreditation is granted for two years i.e. Intake Batches Fall-2013 & Fall-2014.
	Current Status		
	Visit Type	Accreditation	The institute is advised for adherence of allowed intake of 80 students per year in Fall only.
	Date of Visit	July 13-14, 2017	<p>The university is also advised to adopt Outcome - Based Education (OBE) system in all engineering programs and submit the Self-Assessment Report (SAR) in subsequent re-accreditation application, inline with Accreditation Manual – 2014 Criteria. The deadline to submit SAR for the purpose of re-accreditation is June, 2018 along-with at-least assessment data of One academic unit / semester (implementation in all Even or Odd 04 semesters). After which, no application will be accepted on AC-1 guidelines (Accreditation Manual – 2007).</p> <p>The observations/Concern/weak areas identified by the PEC visitation team must be addressed. Further to observe CQI, university/institute has to submit separate progress report along with evidence to PEC, while applying for re-accreditation.</p>

20.	University of Engineering and Technology, Lahore (Faisalabad Campus)		
a.	Program	B.Sc. Electrical Engineering	Pended till the Special Zero Visit (as per the decision of Task Force) is conducted and its decision is made.
	Current Status		
	Visit Type	Re-accreditation	
	Date of Visit	May 18-19, 2017	
b.	Program	B.Sc. Mechatronics & Control Engineering	Pended till the Special Zero Visit (as per the decision of Task Force) is conducted and its decision is made.
	Current Status		
	Visit Type	Re-accreditation	
	Date of Visit	May 19-20, 2017	

21.	College of Engineering and Emerging Technologies, University of the Punjab, Lahore		
a.	Program	B.Sc. Electrical Engineering	<p>Re-accreditation is granted for one year i.e. Intake Batch 2013 subject to compliance on the following observations and intimate to PEC:</p> <p>a. Hiring of at-least one more Ph.D core engineering faculty at level of Professor or Associate Professor.</p> <p>b. Synchronization of lab experiments with respective theory course.</p> <p>The institute is advised for adherence of allowed intake of 40 students per year in Fall only.</p> <p>The Committee showed serious concern on violating increased number of students and DAE seats than allowed in years 2013 to 2016 and advised to adhere to PEC policies in this regard, which otherwise are liable to imposition of penalties. Compliance of intake as per the PEC allowed limit should be ensured for Fall 2017.</p> <p>The university is also advised to adopt Outcome - Based Education (OBE) system in all engineering programs and submit the Self-Assessment Report (SAR) in subsequent re-accreditation application, inline with Accreditation Manual – 2014 Criteria. The deadline to submit SAR for the purpose of re-accreditation is June, 2018 along-with at-</p>

23.	University College of Engineering Science and Technology, Lahore Leads University, Lahore		
a.	Program	B.Sc. Electrical Engineering	Re-accreditation is granted for one year i.e., Intake Batch 2013 only.
	Current Status		From accreditation history it is evident that the program is weak since it has been accredited for 01 year consecutively for 2 terms. This accreditation of one year based qualifying the minimum criteria may be considered as last warning. Next re-accreditation request will be subject to comprehensive compliance on major weak areas and concerns as identified in all accreditation visit reports. The institute is advised for adherence of allowed intake of 40 students per year in Fall only. The Committee showed serious concern on violating increased number of students and DAE seats than allowed in years 2013 & 2014 and advised to adhere to PEC policies in this regard, which otherwise are liable to imposition of penalties. The university is also advised to adopt Outcome - Based Education (OBE) system in all engineering programs and submit the Self-Assessment Report (SAR) in subsequent re-accreditation application, inline with Accreditation Manual – 2014 Criteria. The deadline to submit SAR for the purpose of re-accreditation is June, 2018 along-with at-least assessment data of One academic unit / semester (implementation in all Even or Odd 04 semesters). After which, no application will be accepted on AC-1 guidelines (Accreditation Manual – 2007). The observations/Concern/weak areas identified by the PEC visitation team specially library must be addressed. Further to observe CQI, university/institute has to submit separate

	Current Status	Upto Intake of Batch 2011-12	
	Visit Type	Re-Accreditation	
	Date of Visit	April 26-27, 2017	
c.	Program	B. E. Electronics	<p>Re-accreditation is granted for one year i.e., Intake Batch 2013-14 subject to submission of compliance report on the following:</p>
	Current Status	From Intake of Batch 1998-99 up to 2012-13	
	Visit Type	Re-accreditation	

	Date of Visit	July 12, 2017	<p>a. Student teacher ratio is extremely high which should be brought down to 20:1 by hiring more relevant faculty.</p> <p>b. Involvement of faculty in conducting labs in the absence of Lab Engineers.</p> <p>c. Class size should not exceed 50 students per section.</p> <p>d. Commitment of VC regarding adherence of allowed intake.</p> <p>The Committee showed serious concern on intake violations and advised to adhere to PEC policies in this regard, which otherwise are liable to imposition of penalties.</p> <p>The university is also advised to adopt Outcome - Based Education (OBE) system in all engineering programs and submit the Self-Assessment Report (SAR) in subsequent re-accreditation application, in line with Accreditation Manual – 2014 Criteria. The deadline to submit SAR for the purpose of re-accreditation is June, 2018 along-with at-least assessment data of One academic unit / semester (implementation in all Even or Odd 04 semesters). After which, no application will be accepted on AC-1 guidelines (Accreditation Manual – 2007).</p> <p>The observations/weak areas and concerns identified by the PEC visitation team must be addressed. Further to observe CQI, university/institute has to submit separate progress report along with evidence to PEC, while applying for re-accreditation.</p>
d.	Program	B. E. Metallurgical Engineering	Re-accreditation is granted for one year i.e., Intake Batch 2012-13. Further, the re-accreditation of Intake Batch 2013-14 is also recommended
	Current Status	From Intake of Batch 2007-08 upto 2011-12	
	Visit Type	Re-accreditation	

	Date of Visit	July 12, 2017	<p>subject to the submission of compliance report on the following:</p> <ol style="list-style-type: none"> Student teacher ratio is high which should be brought down to 20:1 by hiring more relevant faculty. Involvement of faculty in conducting labs in the absence of Lab Engineers. Commitment of VC regarding adherence of allowed intake. Establishment of Foundry Lab. and Corrosion Lab. Addressal of observations mentioned in weak areas/concerns of visit report. Class size should not exceed 50 students per section. <p>The Committee showed serious concern on intake violations and advised to adhere to PEC policies in this regard, which otherwise are liable to imposition of penalties.</p> <p>The university is also advised to adopt Outcome - Based Education (OBE) system in all engineering programs and submit the Self-Assessment Report (SAR) in subsequent re-accreditation application, in line with Accreditation Manual – 2014 Criteria. The deadline to submit SAR for the purpose of re-accreditation is June, 2018 along-with at-least assessment data of One academic unit / semester (implementation in all Even or Odd 04 semesters). After which, no application will be accepted on AC-1 guidelines (Accreditation Manual – 2007).</p>
e.	Program	Bachelor of Engineering Materials Engineering	<p>Re-accreditation is granted for two years i.e., Intake Batches 2012-13 and 2013-14.</p> <p>The university is advised to submit compliance on the followings before applying for next re-accreditation:</p> <ol style="list-style-type: none"> Induction of Senior PhD faculty i.e. Professor and Associate Professor of relevant engineering discipline.
	Current Status	From Intake of Batch 2006-07 upto 2011-12	
	Visit Type	Re-accreditation	
	Date of Visit		

			<p>2. Records of Course Files and updating need to be maintained.</p> <p>3. The newly purchased equipment be installed and brought in working condition without further delay.</p> <p>The university is also advised to adopt Outcome - Based Education (OBE) system in all engineering programs and submit the Self-Assessment Report (SAR) in subsequent re-accreditation application, in line with Accreditation Manual – 2014 Criteria. The deadline to submit SAR for the purpose of re-accreditation is June, 2018 along-with at-least assessment data of One academic unit / semester (implementation in all Even or Odd 04 semesters). After which, no application will be accepted on AC-1 guidelines (Accreditation Manual – 2007).</p> <p>The observations/weak areas identified by the PEC visitation team must be addressed. Further to observe CQI, university/institute has to submit separate progress report along with evidence to PEC, while applying for re-accreditation.</p>
f.	Program	B.E. Automotive	<p>Re-accreditation is granted for one year i.e., Intake Batch 2011-12.</p> <p>Further, the re-accreditation of Intake Batch 2012-13 is also recommended subject to the submission of compliance report on the following:</p> <p>a. Student teacher ratio is high which should be brought down to 20:1 by hiring more relevant faculty.</p> <p>b. Involvement of faculty in conducting labs in the absence of Lab Engineers.</p> <p>c. Intake is fixed as 40 students per year.</p> <p>d. Addressal of observations mentioned in weak areas/concerns of visit report.</p>
	Current Status	From Intake of Batch 2005-06 upto 2010-11	
	Visit Type	Re-accreditation	
	Date of Visit	August 17-18, 2017	

			<p>The university is also advised to adopt Outcome - Based Education (OBE) system in all engineering programs and submit the Self-Assessment Report (SAR) in subsequent re-accreditation application, in line with Accreditation Manual – 2014 Criteria. The deadline to submit SAR for the purpose of re-accreditation is June, 2018 along-with at-least assessment data of One academic unit / semester (implementation in all Even or Odd 04 semesters). After which, no application will be accepted on AC-1 guidelines (Accreditation Manual – 2007).</p>

	Date of Visit	September 15-16, 2017	

22.	University of Engineering and Technology, Peshawar (Kohat Campus)		
	Program	B.Sc. Electrical Engineering	Re-accreditation is granted for one year i.e. for Intake Batch 2013 only.
	Current Status		
	Visit Type		Further, re-accreditation of Intake Batch 2014 is also recommended subject to satisfactory compliance on following:
	Date of Visit	September 28-29, 2017	<p>i. Hiring of qualified faculty to bring the student teacher ratio to minimum 20:1.</p> <p>ii. Tangible evidence of enhancement of space and addition of identified equipment in all laboratories.</p> <p>iii. Establishment of dedicated Instrumentation & Measurements lab.</p> <p>iv. Vice Chancellor's commitment for not admitting students more than allowed i.e. 40 students in Fall-2017 and onwards.</p> <p>v. Addressal of observations mentioned in weak area / concerns of the visit report.</p> <p>The Committee showed serious concern on violating increased number of students than allowed in years upto Fall-2016 and advised to adhere to PEC policies in this regard, which otherwise are liable to imposition of penalties.</p> <p>The university is also advised to adopt Outcome - Based Education (OBE) system in all engineering programs and submit the Self-Assessment Report (SAR) in subsequent re-accreditation application, inline with Accreditation Manual – 2014 Criteria. The deadline to submit SAR for the purpose of re-accreditation is June, 2018 along-with at-least assessment data of One academic unit / semester (implementation in all Even or Odd 04 semesters). After which, no application will be accepted on AC-1 guidelines (Accreditation Manual – 2007).</p>

Annex-B

to the Minutes of 83-EA&QEC/EAB Meeting held on October 16-17, 2017 at PEC HQ, Islamabad.

**Agenda Item No. 06 (b) Consideration of PEC Visit Reports
(Accreditation Manual-2014, Level-II)
[Accreditation/Re-accreditation]**

S#	Name of University/Program Profile		Decision of 83-EA&QEC/EAB
01.	University of Engineering and Technology, Taxila (Main Campus)		
	Program	B.Sc. Electronics Engineering (OBA Manual-2014)	Based on major weaknesses & concerns in few of the criteria and partial implementation of OBE, re-accreditation is granted for two years i.e., Intake Batches 2013 & 2014 under Level-I(PEC Manual 2007). The Committee showed serious concern on violating increased number of students than allowed in years upto Fall-2016 and advised to adhere to PEC policies in this regard, which otherwise are liable to imposition of penalties. The Institution, however, is required to address the deficiencies and weak areas, particularly in Criteria 2, 3 & 8. Furthermore, all other observations as mentioned in the detailed report be addressed as a part of its CQI process before applying for re-accreditation visit under OBA.
	Current Status		
	Visit Type		
	Date of Visit	August 24-26, 2017	
02.	University of Engineering and Technology, Lahore (Main Campus)		
a.	Program	B.Sc. Mechatronics & Control Engineering	Based on the satisfactory level of compliance against accreditation criteria/ quality standards, particularly the breadth and depth of the curriculum, QMS, implementation of the Outcome Based Assessment procedures & CQI, re-accreditation is granted for two years i.e., Intake Batches 2013 & 2014 under Level-II of First Schedule. The Institution, however, is required to address the deficiencies and weak areas, particularly in Criteria 2, 3 & 9. Furthermore, all other observations as mentioned in the detailed report be addressed as a part of its CQI process before applying for re-accreditation visit under OBA.
	Current Status		
	Visit Type	Re-Accreditation	
	Date of Visit	August 17-18, 2017	

b.	Program	B.Sc. Polymer Engineering	<p>Based on the satisfactory level of compliance against accreditation criteria/ quality standards, particularly the breadth and depth of the curriculum, QMS, implementation of the Outcome Based Assessment procedures & CQI, re-accreditation is granted for two years i.e., Intake Batches 2013 & 2014 under Level-II of First Schedule.</p> <p>i. The Committee showed serious concern on violating increased number of students than allowed in years upto Fall-2016 and advised to adhere to PEC policies in this regard, which otherwise are liable to imposition of penalties. A commitment letter of Vice Chancellor not admitting students more than allowed.</p> <p>The Institution, however, is required to address the deficiencies and weak areas, particularly in Criteria 2, 3 & 9. Furthermore, all other observations as mentioned in the detailed report be addressed as a part of its CQI process before applying for re-accreditation visit under OBA.</p>
	Current Status		
	Visit Type	Re-Accreditation	
	Date of Visit	August 17-18, 2017	
c.	Program	B.Sc. Architectural Engineering	<p>Based on the satisfactory level of compliance against accreditation criteria/ quality standards, particularly the breadth and depth of the curriculum, QMS, implementation of the Outcome Based Assessment procedures & CQI, re-accreditation is granted for two years i.e., Intake Batches 2013 & 2014 under Level-II of First Schedule.</p> <p>The Institution, however, is required to address the deficiencies and weak areas, particularly in Criteria 2, 3, 8 & 9. Furthermore, all other observations as mentioned in the detailed report be addressed as a part of its CQI process before applying for re-accreditation visit under OBA.</p>
	Current Status		
	Visit Type	Re-Accreditation	
	Date of Visit	August 17-18, 2017	

03.	COMSATS Institute of Information Technology, Islamabad (Wah Campus)		
	Program	B.S. Electrical Engineering	Based on the satisfactory level of compliance against accreditation criteria/ quality standards, particularly the breadth and depth of the curriculum, QMS,
	Current Status		
	Visit Type	Re-Accreditation	

	Date of Visit	September 12-13, 2017	<p>implementation of the Outcome Based Assessment procedures & CQI, re-accreditation is granted for two years i.e., Intake Batches 2013 & 2014 under Level-II of First Schedule.</p> <p>The Institution, however, is required to address the deficiencies and weak areas, particularly in Criteria 2, 3 & 8. Furthermore, all other observations as mentioned in the detailed report be addressed as a part of its CQI process before applying for re-accreditation visit under OBA.</p>
--	---------------	-----------------------	--

04.	Usman Institute of Technology, Karachi		
	Program	BE Electrical (Electronics, Telecommunication and Computer Systems) (OBA Manual 2014)	Based on major weaknesses & concerns in few of the criteria and partial implementation of OBE, re-accreditation is granted for one year i.e., Intake Batch 2013 under Level-I of First Schedule.
	Current Status	From Intake of Batch 2009 upto 2012	Re-accreditation for Batch-2014 could be considered for Level-II subject to the compliance of the following through confirmatory visit:
	Visit Type	Re-accreditation	
	Date of Visit	May 26-27, 2017	<ol style="list-style-type: none"> 1. Number of workstations in Applied Physics lab especially for Electricity and magnetism, and mechanics related labs should be improved and adequate student per workstation ratio should be demonstrated. 2. Number of workstations/trainers in Controls lab should be increased from 1 to 5. 3. In Electric Machines Lab, trainers should be increased from 2 to 4 (for every experiment). 4. In DSP lab the number of DSP kits should be increased from 10 to 20. 5. Hardware equipment should be acquired in Computer Communication and Networks lab for hand-on practice of students. 6. At least one spectrum analyzer in Antenna lab should be added. 7. It should be demonstrated in each lab that 2~3 student per workstation ratio is maintained for entire 3 hour lab duration. 8. Each dedicated lab must have a Lab Engineer.

			<p>9. Progress/improvement on the weak areas related to OBE implementation as mentioned for criteria-2, 3, 8 & 9.</p> <p>The Committee showed serious concern on intake violations and advised to adhere to PEC policies in this regard, which otherwise are liable to imposition of penalties.</p>
--	--	--	---

05.	NED University of Engineering and Technology, Karachi		
	Program	B.E. Urban (OBA Manual 2014)	<p>Based on major weaknesses & concerns in few of the criteria and partial implementation of OBE, re-accreditation is granted for two years i.e., Intake Batches 2012-13 & 2013-14 under Level-I of First Schedule.</p> <p>The intake is fixed as 80 students per year (two sections).</p> <p>The Institution, however, is required to address the deficiencies and weak areas, particularly in Criteria 1, 2, 3 & 8. Furthermore, all other observations as mentioned in the detailed report be addressed as a part of its CQI process before applying for re-accreditation visit under OBA.</p>
	Current Status	From Intake of Batch 2001-02 upto 2011-12	
	Visit Type	Re-accreditation	
	Date of Visit	June 8-9, 2017	

06.	Air University, Islamabad		
a.	Program	Bachelor of Electrical Engineering	<p>Based on major weaknesses & concerns in few of the criteria and partial implementation of OBE, re-accreditation is granted for two years i.e., Intake Batches 2013 & 2014 under Level-I of First Schedule.</p> <p>The Committee decided that further request of university for re-accreditation of program will be only considered after fulfillment of followings:</p> <ol style="list-style-type: none"> i. Appointment of HoD with Ph.D. in Core Engineering discipline. ii. Hiring of more Ph.D. / MS Engineering qualified faculty, especially for Power Stream, to bring the student teacher ratio as 20:1, otherwise, the allowed Intake shall be reduced from 240 to 200 student per year.
	Current Status		
	Visit Type	Re-Accreditation,	
	Date of Visit	September 15-16, 2017	

			<ul style="list-style-type: none"> iii. Enhancement of infrastructure and lab space. iv. Establishment of High Voltage Lab on priority basis, otherwise, Power Stream shall be withdrawn. v. Addition of work stations in Power System lab to reduce the student to work station ratio. vi. Vice Chancellor's commitment for not admitting students more than allowed. <p>The Committee showed serious concern on violating increased number of students than allowed in years upto Fall-2016 and advised to adhere to PEC policies in this regard, which otherwise are liable to imposition of penalties.</p> <p>The Institution, however, is required to address the deficiencies and weak areas, particularly in Criteria 2, 3 & 9. Annex-C

to the Minutes of 83-EA&QEC/EAB Meeting held on October 16-17, 2017 at PEC HQ, Islamabad.

Agenda Item No. 06 (a)(ii) Consideration of PEC Visit Reports
[Interim / Special Zero]

Zone-I (Punjab)

S#	Name of University/Program Profile		Decision of 83-EA&QEC/EAB
01.	University of Engineering and Technology, Lahore (Narowal Campus)		
a.	Program	B.Sc. Civil Engineering	<p>The Committee approved the transfer of 47 students of the Batch Fall-2014 from UET Rasul to UET, Lahore (Narowal campus) and allowed to continue their studies at UET, Narowal Campus as one time dispensation.</p> <p>The university is also advised to adopt Outcome - Based Education (OBE) system in all engineering programs and submit the Self-Assessment Report (SAR), inline with Accreditation Manual – 2014 Criteria. The deadline to submit SAR for the purpose of accreditation is June, 2018 along-with at-least assessment data of One academic unit / semester (implementation in all Even or Odd 04 semesters). After which, no application will be accepted on AC-1 guidelines (Accreditation Manual – 2007).</p> <p>The observations/Concern/weak areas identified by the PEC visitation team must be addressed. Further to observe CQI, university/institute has to submit separate progress report along with evidence to PEC, while applying for accreditation.</p>
	Current Status	Under Process	
	Visit Type	Special Interim	
	Date of Visit	July 25, 2017	
b.	Program	B. Sc. Civil Engineering	<p>Permission is granted to continue the program.</p> <p>The committee showed serious concern on admitting and transferring DAE students from main campus, causing violation for more than allowed PEC limit by the university. It was decided that Vice Chancellors' commitment to avoid such practices and violating regulations should be ensured in future.</p>
	Current Status	Under Process	
	Visit Type	Interim	
	Date of Visit	April 21, 2017	

S#	Name of University/Program Profile		Decision of 83-EA&QEC/EAB
			<p>The university is also advised to adopt Outcome - Based Education (OBE) system in all engineering programs and submit the Self-Assessment Report (SAR), inline with Accreditation Manual – 2014 Criteria. The deadline to submit SAR for the purpose of accreditation is June, 2018 along-with at-least assessment data of One academic unit / semester (implementation in all Even or Odd 04 semesters). After which, no application will be accepted on AC-1 guidelines (Accreditation Manual – 2007).</p> <p>The observations/Concern/weak areas identified by the PEC visitation team must be addressed. Further to observe CQI, university/institute has to submit separate progress report along with evidence to PEC, while applying for accreditation.</p>
c.	Program	Bio-Medical Engineering	<p>Permission is Not granted to start the program at this stage due to following serious deficiencies/weaknesses:-</p> <ol style="list-style-type: none"> i. No dedicted infrastructure and required sapce for the new program. ii. In adequate dedicated class rooms are available iii. Labs required for Four years are yet to be established. iv. No Lab engineers and required staff. v. Library space is not appropriate and shortage of required books/journals & allied faiclities. <p>The institute must also address all other observations as mentioned in the report before applying for re-zero visit, if desired so.</p>
	Current Status	-	
	Visit Type	Zero	
	Date of Visit	-	

02.	Information Technology University, Lahore		
	Program	B.S. Electrical Engineering	Green Signal/Permission is granted to regularize the launch of program w.e.f. Fall-2013 and onwards with an intake of
	Current Status	-	
	Visit Type	Special Zero	

	Date of Visit	August 11, 2017	80 students per year (2 sections of 40 each) in a single entry. However, the weak areas mentioned in the visit report must be addressed and compliance/progress report be submitted before subsequent visit request.
--	---------------	-----------------	---

03.	NFC Institute of Engineering and Technology, Multan		
	Program	B.Sc. Civil Engineering	Program is deferred till hiring of HoD with PhD in relevant engineering discipline and compliance of other major deficiencies, weak areas and concerns identified in the visit report. The institute is directed not to admit further students in the program with immediate effect and compliance from the Vice Chancellor should be intimated to PEC. The Committee also showed serious concern on long delay on the part of institute for late applying of zero / confirmatory visit and on violating increased number of students and DAE seats than allowed in years up to 2016 and advised to adhere to PEC policies in this regard, which otherwise are liable to imposition of penalties.
	Current Status	-	
	Visit Type	Zero (Confirmatory)	
	Date of Visit	April 13, 2017	

04.	University College of Agriculture, Multan (BZU, Multan)		
	Program	B.Sc. Agricultural Engineering	Permission is granted to increase the intake from 40 to 80 students per year (2 sections of 40 students each) from Fall-2017. The university is advised to ensure no intake violation in future. It was also decided that further request of university for re-accreditation of program will be only considered after enhancement of lab staff (lab engineer, lab assistant). Addition to commissioning of equipment in the labs identified in the visitation report. The university is also advised to adopt Outcome - Based Education (OBE) system in all engineering programs and submit the Self-Assessment Report (SAR) in subsequent re-accreditation
	Current Status	-	
	Visit Type	Change of Scope (Increase in Intake)	
	Date of Visit	May 29-30, 2017	

			<p>application, inline with Accreditation Manual – 2014 Criteria. The deadline to submit SAR for the purpose of re-accreditation is June, 2018 along-with at-least assessment data of One academic unit / semester (implementation in all Even or Odd 04 semesters). After which, no application will be accepted on AC-1 guidelines (Accreditation Manual – 2007).</p> <p>However, the weak areas mentioned in the visit report must be addressed and compliance/progress report be submitted before subsequent visit request.</p>
--	--	--	---

05.	Wah Engineering College, University of Wah, Wah Cantt.		
	Program	B.Sc. Mechanical Engineering	<p>Permission is granted to increase the intake from 50 to 80 students per year (2 sections of 40 students each) from Fall-2017.</p> <p>The university is advised that further request of university for re-accreditation of program will be only considered subject to hiring of atleast one PhD faculty having specialization in mechanical engineering. Further HoD must be PhD qualified.</p> <p>The university is also advised to adopt Outcome - Based Education (OBE) system in all engineering programs and submit the Self-Assessment Report (SAR) in subsequent re-accreditation application, inline with Accreditation Manual – 2014 Criteria. The deadline to submit SAR for the purpose of re-accreditation is June, 2018 along-with at-least assessment data of One academic unit / semester (implementation in all Even or Odd 04 semesters). After which, no application will be accepted on AC-1 guidelines (Accreditation Manual – 2007).</p> <p>However, the weak areas mentioned in the visit report must be addressed and compliance/progress report be submitted before subsequent visit request.</p>
	Current Status		
	Visit Type	Change of Scope (Increase in Intake)	
	Date of Visit	August 22, 2017	

06.	College of Electrical and Mechanical Engineering, Rawalpindi (NUST Islamabad)		
a.	Program	B.E. Electrical	Permission is granted to increase the intake from 100 to 150 students per year
	Current Status	Accredited	

	Visit Type	Change of Scope (Increase in Intake)	(3 sections of 50 students each) from Fall-2017.
	Date of Visit	May 26, 2017	<p>The university is also advised to adopt Outcome - Based Education (OBE) system in all engineering programs and submit the Self-Assessment Report (SAR) in subsequent re-accreditation application, inline with Accreditation Manual – 2014 Criteria. The deadline to submit SAR for the purpose of re-accreditation is June, 2018 along-with at-least assessment data of One academic unit / semester (implementation in all Even or Odd 04 semesters). After which, no application will be accepted on AC-1 guidelines (Accreditation Manual – 2007).</p> <p>However, the weak areas mentioned in the visit report must be addressed and compliance/progress report be submitted before subsequent visit request.</p>
b.	Program	B.E. Mechatronics	<p>Permission is granted to increase the intake from 90 to 150 students per year (3 sections of 50 students each) from Fall-2017.</p> <p>The university is also advised to adopt Outcome - Based Education (OBE) system in all engineering programs and submit the Self-Assessment Report (SAR) in subsequent re-accreditation application, inline with Accreditation Manual – 2014 Criteria. The deadline to submit SAR for the purpose of re-accreditation is June, 2018 along-with at-least assessment data of One academic unit / semester (implementation in all Even or Odd 04 semesters). After which, no application will be accepted on AC-1 guidelines (Accreditation Manual – 2007).</p> <p>However, the weak areas mentioned in the visit report must be addressed and compliance/progress report be submitted before subsequent visit request.</p>
	Current Status	Accredited	
	Visit Type	Change of Scope (Increase in Intake)	
	Date of Visit	May 26, 2017	
c.	Program	B.E. Mechanical	<p>Permission is granted to increase the intake from 90 to 150 students per year (3 sections of 50 students each) from Fall-2017.</p>
	Current Status	Accredited	
	Visit Type	Change of Scope (Increase in Intake)	

	Date of Visit	May 26, 2017	<p>The university is also advised to adopt Outcome - Based Education (OBE) system in all engineering programs and submit the Self-Assessment Report (SAR) in subsequent re-accreditation application, inline with Accreditation Manual – 2014 Criteria. The deadline to submit SAR for the purpose of re-accreditation is June, 2018 along-with at-least assessment data of One academic unit / semester (implementation in all Even or Odd 04 semesters). After which, no application will be accepted on AC-1 guidelines (Accreditation Manual – 2007).</p> <p>However, the weak areas mentioned in the visit report must be addressed and compliance/progress report be submitted before subsequent visit request.</p>
