01.	Government College University, Lahore	
	Program	B.Sc. Electrical Engineering
	Current Status	Accredited
	Visit Type	Re-accreditation
	Date of Visit	January 11-12, 2018
		<p>Re-accreditation is granted for two years i.e. Intake Batches Fall-2012 & Fall-2013 only.</p> <p>The house showed serious concern on the delayed submission for re-accreditation visit after graduating the intake batches 2012 and 2013 which is in nonconformance to the laid down PEC policy. The request from HEI is required to be submitted well in advance before the expiry of a particular batch (in 7th semester of the batch to be accredited). Therefore, a show cause notice is being issued to the HEI to submit response with justified reasons (within two weeks' time after issuing this notification) causing such a long delay for more than one year. Such practice is not acceptable in future.</p> <p>Next Re-accreditation visit request will be entertained subject to compliance on the following observations:</p> <ol style="list-style-type: none"> 1. Addition of modules in Machine lab, up-gradation of Electrical Machine lab, and Control system lab. 2. Establishment of Measurements & Instrumentation lab. <p>The HEI is advised to strictly adhere to the PEC intake policies and regulations. Any</p>

The deadline to submit SAR for the purpose of accreditation/re-Accreditation is June 2018 along-with assessment data of at-least one academic unit / semester (implementation in all Even or Odd 04 semesters). No application will be accepted on AC-1 (Accreditation Manual-2007) after the mentioned deadline.</p> <p>The observations/Concern/weak areas identified by the PEC visitation team must be addressed. Further to observe CQI, university/institute has to submit separate progress report along with evidence to PEC, while applying for re-accreditation</p>
