

Detail of Engineering Programs Under Zero/Interim Phase

(upto 82-EA&QEC/EAB)

Region: AJ&K / Gilgit Baltistan

S#	Name of University/Institution	Engineering Program(s)	Decision of EA&QEC/EAB
1.	The University of Poonch, Rawalakot (Azad Kashmir)	B.Sc. Electrical Engineering	<p>Permission is granted to launch the program w.e.f. March-2013 and onwards. The intake should be restricted to one entry per year of 40 students.</p> <p>University should address the weak areas mentioned in the report before applying for interim visit.</p>
2.	University of Azad Jammu & Kashmir, Muzaffarabad (AJ&K)	Bachelor of Science in Electrical Engineering (Electronics/ Telecommunication)	<p>Green Signal/Permission is granted to launch the program w.e.f. Fall-2013 and onwards. Intake must be restricted to 40 students per year.</p> <p>Observations of the visiting team must be addressed accordingly for onward verification during interim visit by PEC in the 2nd year.</p>
3.	Karakoram International University, Gilgit Baltistan	B.S. Mining Engineering	<p>Green Signal/Permission is granted to launch the program in Spring or Fall-2017, subject to compliance and verification on the observations at earliest, not later than 03 months.</p> <p>The intake must be restricted to 40 students per year.</p> <p>Observations of the visiting team must be addressed before verification visit in intimation to PEC, please.</p>

Region: Balochistan

S#	Name of University/Institution	Engineering Program(s)	Decision of EA&QEC/EAB
4.	Balochistan University of Information Technology, Engineering & Management Science, Quetta	B.Sc. Software Engineering	<p>Permission is granted to launch the program from Intake of Batch Fall-2012. The intake should be restricted to 40 students per year.</p> <p>University should address the weak areas mentioned in the report within six months before applying for interim visit.</p>
5.	Balochistan University of Information Technology, Engineering & Management Science, Quetta	B.Sc. Electrical Engineering	<p>Green signal is granted to launch the program with 2011 intake, subject to fulfillment of conditions specified in PEC visit report within six months and written verification/confirmation by the Vice Chancellor. The intake must be restricted to 50 students per year. Interim visit will be conducted after receipt of compliance by the VC in 6 to 10 months to see the overall progress and compliance.</p>
6.	Balochistan University of Information Technology, Engineering and Management Sciences, Quetta (Takatoo Campus)	B.Sc. Mechanical Engineering	<p>Permission is granted to continue the program considering this as an interim visit and institution is allowed to apply for accreditation visit.</p> <p>However, the weak areas mentioned in the visit report must be addressed and compliance/progress report be submitted before accreditation visit request.</p>

Region: Islamabad

S#	Name of University/Institution	Engineering Program(s)	Decision of EA&QEC/EAB
7.	Abasyn University, Islamabad Campus	Bachelor in Civil Engineering	<p>Green Signal/Permission is granted to launch the program w.e.f. Fall-2014 and onwards. The intake must be restricted to 40 students per year.</p> <p>The University should hire more qualified faculty (MS/PhD) in the relevant field of Civil Engineering at the time of interim visit. To ensure availability of adequate/enough infrastructures for the department as mentioned in report.</p>

S#	Name of University/Institution	Engineering Program(s)	Decision of EA&QEC/EAB
8.	Centre for Emerging Sciences, Engineering and Technology, Islamabad (The Islamic University of Bahawalpur)	B.Sc. Electrical (Electronics/ Telecommunication) Engineering	<p>Permission is granted to launch the program as B.Sc. Electrical Engineering (with specialization in Electronics) mentioned on transcript) from Intake of Batch Fall-2012 with an intake of 40 students per year.</p> <p>Approval from university may also be obtained for the change of nomenclature in the light of PEC decision. Institute/college is advised to submit the compliance report within six months and verification will be made through an interim visit after one year.</p>
9.	Grafton College, Islamabad (National University of Modern Languages, Islamabad)	B.E. Electrical (Telecommunication)	<p>Green Signal/Permission is granted to launch the program B.E Electrical (Specialization in Telecommunication) w.e.f. Fall-2014 and onwards.</p> <p>The intake must be restricted to 40 students per year.</p>
10.	Institute of Space Technology, Islamabad	B.E. Avionics	<p>Green Signal/Permission is granted to launch the program w.e.f. Fall-2015 and onwards. The intake must be restricted to 40 students per year.</p>
11.	International Islamic University, Islamabad	B.S. Civil Engineering	<p>Green Signal/Permission is granted to launch the program w.e.f. Fall-2014 and onwards. The intake must be restricted to 40 students per year.</p> <p>The University has to ensure the appointment of atleast 02 experienced Associate Professor/ Professor having PhD qualification in the relevant field of Civil Engineering. To ensure availability of adequate/ enough infrastructure for the department as mentioned in the report in intimation to PEC.</p>
12.	Islamabad Institute of Arts & Applied Sciences, Islamabad (affiliated with University of Sargodha)	B.Sc. Electrical Engineering	<p>Green Signal/Permission is granted to launch the program w.e.f. Spring-2016 and onwards.</p> <p>The intake must be restricted to 40 students per year.</p>
13.	Islamabad Institute of Arts & Applied Sciences, Islamabad (affiliated with University of Sargodha)	B.Sc. Mechanical Engineering	<p>Green Signal/Permission is granted to launch the program w.e.f. Spring-2016 and onwards.</p> <p>The intake must be restricted to 40 students per year.</p>

S#	Name of University/Institution	Engineering Program(s)	Decision of EA&QEC/EAB
14.	Isra University, Hyderabad (Islamabad Campus)	B.E. Electrical	<p>Green signal/Permission is granted to launch the program w.e.f. Fall-2013 and onwards.</p> <p>Intake must be restricted to 40 students per year.</p> <p>Observations of the visiting team must be addressed accordingly for onward verification during interim visit by PEC in the 2nd year.</p>
15.	Muhammad Ali Jinnah University, Islamabad Campus	B.S. Civil Engineering	<p>Green Signal/Permission is granted to launch the program w.e.f. Fall-2014 and onwards.</p> <p>The intake must be restricted to 40 students per year.</p>
16.	Air University, Islamabad	Bachelor of Computer Engineering	<p>Green Signal/Permission is granted to launch the program w.e.f. Fall-2017 and onwards.</p> <p>The intake must be restricted to 40 students per year.</p> <p>Observations of the visitation team must be addressed before next interim/periodic visit in 2nd year.</p>

S#	Name of University/Institution	Engineering Program(s)	Decision of EA&QEC/EAB
17.	Muslim Youth University, Islamabad	B.S. Civil Engineering	<p>Green Signal/Permission is granted to launch the program w.e.f. Fall-2015 and onwards. The intake must be restricted to 40 students per year.</p> <p>Following observations of the visiting team must be addressed & compliance be submitted accordingly for onward verification during interim visit by PEC in the 2nd Year:-</p> <ul style="list-style-type: none"> • The institution has to provide clear cut commitment regarding deputing/providing available building to Civil Engineering department. • In order to meet timely & phase wise requirements of HEC/PEC regarding construction of campus on own land, the management is advised to submit first construction plan within three months, ground breaking ceremony within six months and shifting to own newly built building within two years' time span. • Appointment of at least One (01) Professor having PhD qualification in the same field of Engineering. <p>The department must take serious steps for the provision of appropriate training equipment in all labs on priority. Workshop as that exists in public sector universities for these engineering disciplines should be established / upgraded. Much more spacious and high roof building is required in case of workshop. This equipment is required to procure before start of first semester.</p>

S#	Name of University/Institution	Engineering Program(s)	Decision of EA&QEC/EAB
18.	Muslim Youth University, Islamabad	B.S. Electrical Engineering	<p>Green Signal/Permission is granted to launch the program w.e.f. Fall-2015 and onwards.</p> <p>The intake must be restricted to 40 students per year.</p> <p>Following observations of the visiting team must be addressed & compliance be submitted accordingly for onward verification during interim visit by PEC in the 2nd Year:-</p> <ul style="list-style-type: none"> • The institution has to provide clear cut commitment regarding deputing/providing available building to Electrical Engineering department. • In order to meet timely & phase wise requirements of HEC/PEC regarding construction of campus on own land, the management is advised to submit first construction plan within three months, ground breaking ceremony within six months and shifting to own newly built building within two years' time span. • Appointment of at least One (01) Professor having PhD qualification in the same field of Engineering. <p>The department must take serious steps for the provision of appropriate training equipment in all labs on priority. Physics Lab is not in order and has to strengthen before start of Fall 2015.</p>
19.	Dr. A.Q. Khan Institute of Computer Sciences and Information Technology, KRL, Kahuta	Bachelor of Science in Computer Engineering	<p>Green Signal/Permission is granted to launch the program w.e.f. Fall-2014 and onwards. The intake must be restricted to 40 students per batch per year.</p>

Region: Khyber Pakhtunkhwa

S#	Name of University/Institution	Engineering Program(s)	Decision of EA&QEC/EAB
20.	Abasyn University, Peshawar	B.E. Civil	Green signal/Permission is granted to launch the program w.e.f. Spring-2014 and onwards. The intake must be restricted to 40 students per year.
21.	City University of Science and Information Technology, Peshawar	B.S. Civil Engineering	Green Signal/Permission is granted to launch the program w.e.f. Fall-2014 and onwards. The intake must be restricted to 40 students per year.
22.	Ghulam Ishaq Khan-Institute of Engineering Sciences and Technology, Topi-Swabi	B.Sc. Electrical Engineering	Green Signal to launch the program in Fall-2012 onwards with the following conditions:- a) The intake must be restricted to 40 per year. b) Observation of the visiting team must be addressed and intimated to PEC before next Interim visit.
23.	Qurtuba University of Science & Information Technology, D. I Khan	B.Sc. Electrical Engineering	Green Signal/Permission is granted to launch the program w.e.f. Fall-2015 and onwards. The intake must be restricted to 40 students per year
24.	Qurtuba University of Science & Information Technology, D. I Khan	B.Sc. Civil Engineering	Green Signal/Permission is granted to launch the program w.e.f. Fall-2015 and onwards. The intake must be restricted to 40 students per year
25.	University of Engineering and Technology, Peshawar (Jalozai Campus)	B.Sc. Electrical Engineering	Green Signal/Permission is granted to launch the program w.e.f. Fall-2016 and onwards. The intake must be restricted to 80 students (Two Sections) per year. Observations of the visiting team must be addressed accordingly for onward verification during interim visit by PEC in the 2nd Year (2018), particularly Labs development, faculty hiring and other associated resources teaching-learning aids required for the next 2-3 years.

S#	Name of University/Institution	Engineering Program(s)	Decision of EA&QEC/EAB
26.	University of Engineering and Technology, Peshawar (Jalozai Campus)	B.Sc. Mechanical Engineering	<p>Green Signal/Permission is granted to launch the program w.e.f. Fall-2016 and onwards.</p> <p>The intake must be restricted to 40 students per year.</p> <p>Observations of the visiting team must be addressed accordingly for onward verification during interim visit by PEC in the 2nd Year (2018), particularly Labs development, faculty hiring and other associated resources teaching-learning aids required for the next 2-3 years.</p>

Region: Punjab

S#	Name of University/Institution	Engineering Program(s)	Decision of EA&QEC/EAB
27.	Ata Institute of Engineering and Technology, Wazirabad (UET Lahore)	B.Sc. Electrical Engineering	Green signal/Permission is granted to launch the program w.e.f Fall-2015 and onwards. The intake must be restricted to 40 students per year.
28.	Chenab College of Engineering and Technology, Gujranwala	B.Sc. Civil Engineering	Green Signal/Permission is granted to launch the program w.e.f. Fall-2015 and onwards. The intake must be restricted to 40 students per year. At least one PhD faculty be inducted at earliest as agreed.
29.	Chenab College of Engineering and Technology, Gujranwala	B.Sc. Electrical Engineering	Green Signal/Permission is granted to launch the program w.e.f. Spring-2015 and onwards subject to issuance of NOC/written consent by the UET Lahore. The intake must be restricted to 40 students per year.
30.	Chenab College of Engineering and Technology, Gujranwala (UET Lahore)	B.Sc. Mechanical Engineering	Green Signal/Permission is granted to launch the program w.e.f. Fall-2014 and onwards. The intake must be restricted to 40 students per year.

S#	Name of University/Institution	Engineering Program(s)	Decision of EA&QEC/EAB
31.	COMSATS Institute of Information Technology Islamabad (Sahiwal Campus)	B.S. Electrical Engineering	<p>Green signal/Permission is granted to launch the program w.e.f. Fall-2013.</p> <p>Intake must be restricted to 80 students per year/entry.</p> <p>Observations of the visiting team must be addressed accordingly for onward verification during interim visit by PEC in the 2nd year.</p>
32.	Gift University, Gujranwala	B. S. Electrical Engineering	<p>Permission is granted to continue the program from 2013 and onwards. The intake should be restricted to 40 students per year.</p> <p>Observations of the visiting team must be addressed accordingly for onward verification before accreditation visit by PEC.</p>
33.	Government College University, Faisalabad	B.Sc. Software Engineering	<p>Permission is granted to launch the program from Intake of Batch Fall-2012 with an intake of 40 students per year.</p> <p>Atleast 03 qualified faculty (MS/PhD) be hired before launch the program in intimation to PEC. University is advised to submit the compliance report within six months and verification will be made through an interim visit after one year.</p>

S#	Name of University/Institution	Engineering Program(s)	Decision of EA&QEC/EAB
34.	Grand Charter College, Lahore (Punjab University, Lahore)	B.Sc. Electrical Engineering	<p>Green Signal/Permission is granted to launch the program w.e.f. Intake batch of Fall-2016 only.</p> <p>The intake must be restricted to 40 students per year.</p> <p>A confirmatory visit shall be arranged prior to admissions in Fall-2017 to monitor the compliance of the observations and development of new labs and induction of qualified PhD faculty for subsequent semesters.</p> <p>During the interim visit in 2nd year, infrastructure and enhanced faculty, labs shall be available for complete 4 years cycle and will be verified accordingly.</p>
35.	Grand Charter College, Lahore (Punjab University, Lahore)	B.Sc. Chemical Engineering	<p>Green Signal/Permission is granted to launch the program w.e.f. Intake of Batch Fall-2016 and onwards.</p> <p>The intake must be restricted to 40 students per year.</p> <p>Observations of the visiting team must be addressed accordingly for onward verification during interim visit by PEC in the 2nd year (2018), particularly Labs development, faculty hiring and other associated resources teaching-learning aids required for the next 2-3 years.</p>
36.	HITEC University, Taxila Cantt.	B.S. Computer Engineering	<p>Permission is granted to launch the program w.e.f. Fall-2014. Intake must be restricted to 40 students per year.</p> <p>Necessary faculty hired for the program must be intimated to PEC before launching of new program. Observations of the visiting team must be addressed accordingly for onward verification during interim/ accreditation visit by PEC.</p>

S#	Name of University/Institution	Engineering Program(s)	Decision of EA&QEC/EAB
37.	Imperial College of Business Studies, Lahore	B.Sc. Mechanical Engineering	<p>Permission is granted to launch the program from Intake of Batch Fall-2012 with an intake of 40 students per year.</p> <p>College is advised to submit the compliance report within six months and verification will be made through an interim visit after one year.</p>
38.	Imperial College of Business Studies, Lahore	B.Sc. Civil Engineering	<p>Permission is granted to launch the program from Intake of Batch Fall-2012. The intake should be restricted to one entry per year of 80 students (40 per section).</p> <p>University should also seek necessary approval from the BoG and Chancellor as per their charter and intimation to PEC accordingly before interim visit. University should address the weak areas mentioned in the report, especially hiring of PhD faculty within six months before applying for interim visit in Fall-2013 to observe the overall compliance.</p>
39.	Imperial College of Business Studies, Lahore	B.Sc. Electrical Engineering (Electronics/Power/ Telecommunication)	<p>Permission is granted to launch the program from Intake of Batch Fall-2012 with an intake of 80 students per year (40 per section).</p> <p>College is advised to submit the compliance report within six months and verification will be made through an interim visit after one year.</p>
40.	Imperial College of Business Studies, Lahore	B.Sc. Mechatronics Engineering	<p>Green Signal/Permission is granted to launch the program w.e.f. Fall-2014 and onwards. The intake must be restricted to 40 students per year.</p>
41.	Imperial College of Business Studies, Lahore	B.Sc. Chemical Engineering	<p>Green Signal/Permission is granted to launch the program w.e.f. Fall-2014 and onwards. The intake must be restricted to 40 students per year.</p>
42.	Institute of Southern Punjab, Multan	B.Sc. Electrical Engineering	<p>Green Signal/Permission is granted to launch the program w.e.f. Fall-2014 and onwards. The intake must be restricted to 40 students per year.</p>

S#	Name of University/Institution	Engineering Program(s)	Decision of EA&QEC/EAB
43.	Institute of Southern Punjab, Multan	B.Sc. Civil Engineering	Green Signal/Permission is granted to launch the program w.e.f. Fall-2014 and onwards after hiring of one PhD faculty in intimation to PEC. The intake must be restricted to 40 students per batch per year.
44.	Intellectual Unique Superior Entrepreneurial-School of Engineering and Management Sciences, Rawalpindi	B.Sc. Electrical Engineering	Green signal is granted to launch the program w.e.f. Fall-2013 and onwards with the condition that a faculty member with Master degree in relevant field should be appointed before the commencement of classes, in intimation to PEC. The intake must be restricted to 40 students per year. The institute must address the weak areas mentioned in the report before applying for interim visit within one year.
45.	Intellectual, Unique, Superior, Entrepreneurial, School of Engineering & Management Sciences, Rawalpindi	B.Sc. Software Engineering	Green signal is granted to launch the program w.e.f. Fall-2013 and onwards with the condition that a faculty member with Master degree in relevant field should be appointed before the commencement of classes, in intimation to PEC. The intake must be restricted to 40 students per year. The institute must address the weak areas mentioned in the report before applying for interim visit within one year.
46.	Intellectual, Unique, Superior, Entrepreneurial, School of Engineering & Management Sciences, Rawalpindi	B. Sc. Mechatronics Engineering	Green signal is granted to launch the program w.e.f. Spring-2013. The intake must be restricted to 40 students per year. The institute must address the weak areas mentioned in the report before applying for interim visit within one year.

S#	Name of University/Institution	Engineering Program(s)	Decision of EA&QEC/EAB
47.	Islam College of Engineering and Management Sciences, Sialkot	B.Sc. Electrical Engineering	<p><u>Ref: 76-EA&QEC/EAB Meeting held on February 26, 2016</u> Based on the weak areas and serious deficiencies in the last Interim Visit Report (conducted on November 17, 2015) considered in 76-EA&QEC/EAB meeting, the program was Not Allowed to continue, hence, further intake from Fall-2016 is stopped.</p> <p><u>Ref: 68th-EA&QEC/EAB Meeting held on February 10, 2014</u> Green Signal was granted to launch the program subject to permission from UET Lahore on the relaxation/waiver for examination schedule for two consecutive semesters (first year) due to late Fall-2013 entry. Intake must be restricted to 40 students per batch per year.</p>
48.	Islam College of Engineering and Management Sciences, Sialkot	B.Sc. Mechanical Engineering	<p><u>Ref: 76-EA&QEC/EAB Meeting held on February 26, 2016</u> Based on the weak areas and serious deficiencies in the last Interim Visit Report (conducted on November 17, 2015) considered in 76-EA&QEC/EAB meeting, the program was Not Allowed to continue, hence, further intake from Fall-2016 is stopped.</p> <p><u>Ref: 68th-EA&QEC/EAB Meeting held on February 10, 2014</u> Green Signal was granted to launch the program subject to permission from UET Lahore on the relaxation/waiver for examination schedule for two consecutive semesters (first year) due to late Fall-2013 entry. Intake must be restricted to 40 students per batch per year.</p>

S#	Name of University/Institution	Engineering Program(s)	Decision of EA&QEC/EAB
49.	Minhaj University, Lahore	B.Sc. Chemical Engineering	<p>Green Signal/Permission is granted to launch the program w.e.f. Fall-2015 and onwards.</p> <p>The intake must be restricted to 40 students per year.</p> <p>University should provide necessary training to the faculty in order to adopt outcome based education system inline with Accreditation Manual-2014 accessible at http://www.pec.org.pk/downloads.aspx.</p> <p>Observations of the visiting team must be addressed accordingly for onward verification during interim visit by PEC in the 2nd Year, particularly preparation of labs development, faculty hiring and other associated resources availability for next two years.</p>
50.	National University of Computer & Emerging Sciences, Faisalabad Campus	B.S Electrical Engineering	<p>Green Signal/Permission is granted to launch the program w.e.f. Fall-2014 and onwards.</p> <p>The intake must be restricted to 40 students per year.</p> <p>Observations of the visiting team must be addressed accordingly for onward verification during interim visit by PEC in the 2nd year.</p>
51.	NFC Institute of Engineering & Technology, Multan (BZU Multan)	B.Sc. Civil Engineering	<p>Green signal/Permission is granted to launch the program w.e.f. Fall-2013 and onwards.</p> <p>Intake must be restricted to 40 students per year.</p> <p>Observations of the visiting team must be addressed accordingly for onward verification during interim visit by PEC in the 2nd year.</p>

S#	Name of University/Institution	Engineering Program(s)	Decision of EA&QEC/EAB
52.	NFC Institute of Engineering & Technology, Multan (BZU Multan)	B.Sc. Mechanical Engineering	<p>Green signal/Permission is granted to launch the program w.e.f. Fall-2013 and onwards.</p> <p>Intake must be restricted to 40 students per year.</p> <p>Observations of the visiting team must be addressed accordingly for onward verification during interim visit by PEC. Observations of the visiting team must be addressed accordingly for onward verification during interim visit by PEC in the 2nd year.</p>
53.	NFC Institute of Engineering and Technology, Multan	B.Sc. Environmental Engineering	<p>Green Signal/Permission is granted to launch the program w.e.f. Fall-2016 and onwards.</p> <p>The intake must be restricted to 50 students per year.</p> <p>Observations of the visiting team must be addressed accordingly for onward verification during interim visit by PEC in the 2nd Year (2018), particularly Labs development, faculty hiring and other associated resources teaching-learning aids required for the next 2-3 years.</p>
54.	NFC Institute of Engineering and Technology, Multan	B.Sc. Energy Systems Engineering	<p>Green Signal/Permission is granted to launch the program w.e.f. Fall-2016 and onwards.</p> <p>The intake must be restricted to 50 students per year.</p> <p>Observations of the visiting team must be addressed accordingly for onward verification during interim visit by PEC in the 2nd Year (2018), particularly Labs development, faculty hiring and other associated resources teaching-learning aids required for the next 2-3 years.</p>

S#	Name of University/Institution	Engineering Program(s)	Decision of EA&QEC/EAB
55.	NFC Institute of Engineering and Technology, Multan (NFC UET Multan)	B.Sc. Petroleum & Gas Engineering	<p>Conditional permission is granted to launch the program subject to the confirmatory visit (well before to launch in Fall-2015) to verify the following:-</p> <ol style="list-style-type: none"> Availability of dedicated faculty members (atleast one (01) PhD and 2-3 MS/ME) in relevant area of engineering. Established labs for initial two years (4-semesters). Dedicated class rooms/ infrastructure for the program. Hiring of atleast two lab engineers. Allocation of budget (Operational & Developmental)
56.	Pakistan Institute of Engineering & Technology, Multan	B.Sc. Electrical Engineering (Power/Electronics/Computer/ Telecommunication)	<p>Permission is granted to launch the program w.e.f. Fall-2013 and onwards.</p> <p>Intake must be restricted to 80 students (40 each for two streams only i.e., Electronics and Telecommunication).</p>
57.	Pakistan Institute of Engineering and Technology, Multan	B.Sc. Civil Engineering	<p>Green Signal/Permission is granted to launch the program w.e.f. Fall-2014 and onwards after hiring of one PhD faculty.</p> <p>The intake must be restricted to 40 students per batch per year.</p>
58.	Pakistan Institute of Engineering and Technology, Multan	B.Sc. Mechanical Engineering	<p>Green Signal/Permission is granted to launch the program w.e.f. Fall-2014 and onwards.</p> <p>The intake must be restricted to 40 students per batch per year.</p>
59.	Pir Mehr Ali Shah-Arid Agriculture University, Rawalpindi	B.Sc. Agricultural Engineering	<p>Green signal/Permission is granted to launch the program w.e.f. Fall-2013 and onwards (for Morning only).</p> <p>Intake must be restricted to 40 students per year.</p> <p>Observations of the visiting team must be addressed accordingly for onward verification during interim visit by PEC in the 2nd year.</p>

S#	Name of University/Institution	Engineering Program(s)	Decision of EA&QEC/EAB
60.	Punjab Institute of Contemporary Sciences, affiliated with the University of Punjab, Lahore	B.Sc. Electrical Engineering	Green signal is granted with intake of 40 students per year w.e.f Fall 2015 subject to verification of joining of faculty, Lab Engineers, and availability of required Labs etc. by Engr.Prof.Dr Jamil Ahmad, Member EAQEC/EAB.
61.	Punjab Institute of Contemporary Sciences, Lahore	B.Sc. Chemical Engineering	Green signal/Permission is granted to launch the program w.e.f. Fall-2013 and onwards. Intake must be restricted to 40 students per year. Observations of the visiting team must be addressed accordingly for onward verification during interim visit by PEC in the 2nd year.
62.	Quaid-e-Azam College of Engineering & Technology, Sahiwal (UET Lahore)	B.Sc. Electrical Engineering	Green signal/Permission is granted to launch the program w.e.f. Fall-2013 and onwards. Intake must be restricted to 40 students per year. Observations of the visiting team must be addressed accordingly for onward verification during interim visit by PEC in the 2nd year.
63.	Quaid-e-Azam College of Engineering and Technology, Pattoki	B.Sc. Civil Engineering	Green Signal/Permission is granted to launch the program w.e.f. Fall-2014 and onwards. The intake must be restricted to 40 students per year.
64.	Quaid-e-Azam College of Engineering and Technology, Sahiwal (UET, Lahore)	B.Sc. Mechanical Engineering	Green signal/Permission is granted to launch the program w.e.f., Fall-2016 and onwards with an intake of 40 students per year. Further, the weak areas/observations mentioned in the visit report must be addressed and compliance/progress report be submitted before applying subsequent interim visit in the 2nd year.

S#	Name of University/Institution	Engineering Program(s)	Decision of EA&QEC/EAB
65.	Riphah College of Science & Technology, Lahore	B.Sc. Electrical (Power, Electronics & Telecommunication)	<p>Green Signal/Permission is granted to launch the program w.e.f. Fall-2015 and onwards.</p> <p>The intake must be restricted to 80 students per year for all three streams (Power, Electronics & Telecommunication).</p>
66.	Riphah International University, Islamabad (Faisalabad Campus)	B.Sc. Electrical Engineering	<p>Green Signal/Permission is granted to launch the program w.e.f. Fall-2015 and onwards.</p> <p>The intake must be restricted to 40 students per year.</p>
67.	The Superior College, Lahore	B.S. Avionics Engineering	<p>Green Signal/Permission is granted to launch the program w.e.f. Fall-2014 and onwards.</p> <p>Intake must be restricted to 40 students per year.</p> <p>Employability of graduates be reviewed again to ensure program credibility and university repute.</p>
68.	The Superior College, Lahore	B.Sc. Computer Engineering	<p>Green Signal/Permission is granted to launch the program w.e.f. Jan/Feb 2014 and onwards.</p> <p>The intake must be restricted to 40 students.</p> <p>Observations of the visiting team must be addressed accordingly for onward verification during interim visit by PEC in the 2nd year.</p>
69.	The University of Agriculture, Faisalabad	B.Sc. Environmental Engineering	<p>Green Signal/Permission is granted to launch the program w.e.f. Fall-2014 and onwards.</p> <p>The intake must be restricted to 40 students per year.</p>

S#	Name of University/Institution	Engineering Program(s)	Decision of EA&QEC/EAB
70.	The University of Central Punjab, Lahore	B.Sc. Civil Engineering	<p>Green signal/Permission is granted to launch the program w.e.f. Fall-2013 and onwards.</p> <p>Intake must be restricted to 40 students per year.</p> <p>Observations of the visiting team must be addressed accordingly for onward verification during interim visit by PEC in the 2nd year.</p>
71.	The University of Faisalabad, Faisalabad	B.Sc. Civil Engineering	<p>Green signal/Permission is granted to launch the program w.e.f Spring-2015 and onwards.</p> <p>The intake must be restricted to 40 students per year.</p>
72.	The University of Lahore, Lahore	B.Sc. Computer Engineering	<p>Green Signal/Permission is granted to launch the program w.e.f. Fall-2014 and onwards.</p> <p>The Intake must be restricted to 80 students per year.</p> <p>Observations of the visiting team must be addressed accordingly for onward verification during interim visit by PEC in the 2nd year.</p>
73.	Times School of Engineering, Multan (GC University, Lahore)	B.Sc. Electrical Engineering	<p>Green Signal/Permission is granted to launch the program w.e.f. Fall-2014 and onwards.</p> <p>The intake must be restricted to 40 students per year.</p> <p>The institution is allowed to admit 5 extra students purely on merit with No Tuition fee.</p> <p>Observations of the visiting team must be addressed accordingly for onward verification during interim visit by PEC in the 2nd year.</p>
