

List of Accredited Engineering Programs With Pakistan Engineering Council

This is for the information of students, parents, employers and general public that the following Engineering Programs being offered at various Universities/Institutions of Pakistan are accredited by Pakistan Engineering Council (PEC). It is the sole responsibility of the universities/institutions imparting any Engineering & Technology education to apply to PEC for accreditation of their Engineering Programmes, failing which the students inducted/graduated from such un-accredited programs would not be registered with PEC as practicing engineers in the country.

ISLAMABAD

- **Air University:** Bachelor of Electrical (Electronics & Telecommunication), and Mechatronics Engineering.
- **Bahria University:** Bachelor of Engineering in Computer, and Software.
- **COMSATS:** B.Sc. Computer Engineering, and Electrical (Telecommunication) Engineering.
- **Institute of Space Technology:** Bachelor of Science in Communication Systems Engineering, and Aerospace Engineering.
- **International Islamic University:** B.Sc. Electronic Engineering.
- **Riphah International University:** B.Sc. Electrical Engineering (Communication).
- **Muhammad Ali Jinnah University:** B.Sc. Electronic Engineering.
- **NUCES (FAST):** B.Sc. Telecommunication Engineering.
- **NUST (NIIT):** Bachelor of Information & Communication Systems Engineering, and Bachelor of Engineering (Electronic Engineering).
- **CASE:** B.Sc. Electrical (with two specializations in Computer and Telecommunication) Engineering.

PUNJAB

- **COMSATS, Lahore Campus:** B.Sc. Computer Engineering.
- **COMSATS, Wah Campus:** B.Sc. Computer Engineering.
- **College of EME(NUST):** B.E. Electrical, Mechanical, Computer, and Mechatronics.
- **Foundation University, Rawalpindi:** B.Sc. Software Engineering.
- **Institute of Chemical Engineering & Technology (Punjab University Lahore):** B.Sc. Engineering Chemical, and Metallurgy & Materials Science.
- **Military College of Signals (NUST) Rawalpindi:** B.E. Electrical (Communication), and Computer Software
- **National College of Textile Engineering, Faisalabad:** B.Sc. Textile Engineering.
- **NUCES (FAST) Lahore:** B.Sc. Engineering Computer, and Telecommunication.
- **NFC, Faisalabad:** B.Sc. Chemical Engineering (Morning).
- **NFC, Multan:** B.Sc. Engineering Computer System, Electronics, and Chemical.

- **The University of Lahore:** B.Sc. Electrical Engineering.
- **UCET-BZU, Multan:** B.Sc. Civil, and Electrical Engineering.
- **BZU, Multan:** B.Sc. Textile Engineering.
- **UCET, Bahawalpur:** B.Sc. Electronic Engineering.
- **University of Agriculture, Faisalabad:** B.Sc. Agricultural Engineering
- **UET, Taxila:** B.Sc. Engineering Civil, Electrical, Mechanical, Computer, and Software.
- **UET, Lahore:** B. Sc. Engineering Architectural/Building & Architectural Engineering, Chemical (Polymer), Civil, Electrical, Mechanical, Mining, Metallurgical & Materials, Industrial & Manufacturing, Mechatronics & Control, Computer, Chemical, Petroleum & Gas, Transportation, and Geological.
- **University of Central Punjab, Lahore:** B.Sc. Electrical Engineering.

SINDH

- **Bahria University, Karachi:** B.Sc. Engineering in Computer, and Software.
- **Dawood College of Engineering, Karachi:** B.E. Industrial & Management, Electronics, Chemical, and Metallurgical.
- **Hamdard University (HIIT) Karachi:** B.E. Telecommunication, Computer System, and Electronic.
- **Iqra University, Karachi:** B.E. Electronics.
- **Institute of Industrial Electronic Engineering (PCSIR), Karachi:** B.E. Industrial Electronics.
- **Mehran University (MUET), Jamshoro:** B.E. Civil, Electrical, Mechanical, Electronics, Industrial, Pet-Gas, Computer System, Chemical, Metallurgical, Mining, Textile, Telecommunication, Software, and Bio-Medical.
- **NUCES (FAST), Karachi:** B.Sc. Engineering in Computer, and Telecommunication.
- **NED- UET, Karachi:** B.E. Civil, Electrical, Mechanical, Computer & Information Systems, Textile, Electronics, Industrial & Manufacturing, Urban, and Telecommunication.
- **Naval Engineering College (NUST) Karachi:** B.E. Mechanical, Electrical, and Electronics.

- **PAF-KIET, Karachi:** B.E. Electronics.
- **Quaid-e-Awam University (QUEST), Nawabshah:** B.E. Computer Systems, Civil, Electrical, and Mechanical.
- **Sir Syed UET Karachi:** B.S. Engineering Civil, Electronic, Bio Medical, and Computer.
- **Sindh Agriculture University, Tandojam:** B.E. (Agricultural).
- **Usman Institute of Technology, Karachi:** B.E. Computer Systems, Telecommunication, and Electronic.

NWFP

- **CECOS University, Peshawar:** B.Sc. Civil, and Electrical Engineering.
- **College of Aeronautical Engineering (NUST), Risalpur:** B.E. Aerospace, and Avionics.
- **COMSATS, Abbottabad Campus:** B.Sc. Computer, and Electronic Engineering.
- **Gandhara Institute, PGS, Peshawar:** B.Sc. Civil, and Electrical Engineering.
- **GIKI, Topi - Swabi:** B.Sc. Mechanical, Electronic, Metallurgy & Materials, Computer Systems, Computer Software, and Engineering Sciences.
- **Military College of Engineering (NUST) Risalpur:** B.E. Civil.
- **NUCES (FAST), Peshawar:** B.Sc. Telecommunication Engineering.
- **NWFP-UET, Peshawar:** B.Sc. Civil, Electrical, Chemical, Computer System, Agricultural, Mining, and Mechanical Engineering.
- **NWFP-UET (Mardan Campus):** B.Sc. Telecommunication, and Computer Software Engineering.
- **NWFP-UET (Bannu Campus):** B.Sc. Civil, and Electrical Engineering.
- **Peshawar College of Engineering:** B.Sc. Electrical Engineering.

BALUCHISTAN

- **BUET, Khuzdar:** B.E. Civil, Electrical, Mechanical, and Computer System.
- **BUITMS:** B.Sc. Computer, and Electronics Engineering.

AJ&K

- **Ali Ahmed Shah UCET, Mirpur:** B.Sc. Electrical Engineering.

NOTE:

Further batch-wise detail of graduates from the above accredited engineering programmes of respective engineering institution/university is given in the First Schedule in the PEC website: (www.Pec.org.pk)
