

to the Minutes of 102nd EAB held on September 21, 2021 at PEC HQ, Islamabad.

**Agenda Item No.07 (a) (1) Consideration of Reports/ Summaries
[Accreditation/Re-accreditation]**

Zone-I (Punjab)

S#	Name of University/Program Profile		Decision of 102nd EAB
1.	University College of Agriculture, Multan (Bahauddin Zakariya University, Multan)		
	Program	B.Sc. Agricultural Engineering	Based on deficiencies and major weaknesses in most of the criteria and partial implementation of OBE, re-accreditation is granted for one year i.e., Intake Batch 2017 under Level-I, First Schedule of PEC Act. Further, next SAR for Intake Batch 2018 will only be considered subject to submission of satisfactory compliance report alongwith tangible evidences on all deficiencies and weaknesses mentioned in visit report. The Institution; however, is advised to address all deficiencies/ weak areas/ concerns, particularly in Criteria 3, 5, 6, & 8. Furthermore, all other observations as mentioned in the detailed report be addressed as a part of its CQI process before applying for re-accreditation visit under OBA.
	Current Status	From Intake of Batch 2004 to 2016	
	Visit Type	Re-accreditation	
	Date of Visit	July 03-04, 2021	
2.	University College of Engineering and Technology, Multan (Bahauddin Zakariya University, Multan)		
a.	Program	B.Sc. Civil Engineering	Based on deficiencies and major weaknesses in most of the criteria and partial implementation of OBE, re-accreditation is granted for two years i.e., Intake Batches 2015 & 2016 under Level-I of First Schedule. Further, re-accreditation is also recommended for Intake Batch 2017 under Level-I of First Schedule subject to submission of satisfactory compliance report on the deficiencies and major weaknesses mentioned in the visit report. The Institution; however, is advised to address all deficiencies/ weak areas/ concerns, particularly in Criteria 1, 2, 3, 4 5, 6, 7, 8 & 9. Furthermore, all other observations as mentioned in the detailed report be
	Current Status	From Intake of Batch 1994 to 2014	
	Visit Type	Re-accreditation	
	Date of Visit	July 03-04, 2021

c.	Program	B.Sc. Civil Engineering	Based on the satisfactory level of compliance against accreditation criteria / quality standards and implementation of the Outcome Based Assessment procedures & CQI, re-accreditation is granted for two (02) years i.e. for intake batches 2017 & 2018 under Level-II. The Institution, however, is required to address deficiency, all weak areas and concerns, particularly in Criteria 5 & 8. Furthermore, all other observations as mentioned in the detailed report be addressed as a part of its CQI process before applying for re-accreditation visit under OBA.
	Current Status		
	Visit Type	Re-accreditation	
	Date of Visit	June 18-19, 2021	
d.	Program	B.Sc. Mechatronics Engineering	Based on the satisfactory level of compliance against accreditation criteria / quality standards and implementation of the Outcome Based Assessment procedures & CQI, re-accreditation is granted for three (03) years i.e. for intake batches 2017, 2018 & 2019 under Level-II. The Institution, however, is required to address deficiency, all weak areas and concerns, particularly in Criteria 3 & 8. Furthermore, all other observations as mentioned in the detailed report be addressed as a part of its CQI process before applying for re-accreditation visit under OBA.
	Current Status		
	Visit Type	Re-accreditation	
	Date of Visit	June 18-19, 2021	
e.	Program	B.Sc. Agricultural Engineering	Based on the satisfactory level of compliance against accreditation criteria / quality standards and implementation of the Outcome Based Assessment procedures & CQI, re-accreditation is granted for two (02) years i.e. intake batches 2017 & 2018 under Level-II. The Institution, however, is required to address deficiency, all weak areas and concerns, particularly in Criteria 3, 4, 5, 6 & 8. Furthermore, all other observations as mentioned in the detailed report be addressed as a part of its CQI process before applying for re-accreditation visit under OBA.
	Current Status		
	Visit Type	Re-accreditation	
	Date of Visit	June 18-19, 2021	
f.	Program	B.Sc. Mining Engineering	Based on verification of satisfactory level of compliance against accreditation criteria/ quality standards during physical accreditation visit, the already granted provisional

			<p>accreditation to intake batch 2016 under Level-I is validated.</p> <p>Further, based on the satisfactory level of compliance against accreditation criteria / quality standards and implementation of the Outcome Based Assessment procedures & CQI, re-accreditation is recommended for two (02) years i.e. for intake batches 2017 & 2018 under Level-II <u>subject to hiring of atleast one (01) more MS Engineering qualified faculty member from core/ relevant discipline for fulfilment of minimum eight (08) MFS requirement as per PEC Accreditation Manual – 2019.</u></p> <p>The Institution, however, is required to address deficiency, all weak areas and concerns, particularly in Criteria 3, 5, 6 & 8. Furthermore, all other observations as mentioned in the detailed report be addressed as a part of its CQI process before applying for re-accreditation visit under OBA.</p>
15. University of Engineering and Technology, Mardan			
a.	Program	B.Sc. Telecommunication Engineering	<p>Based on the satisfactory implementation of OBA and reasonable attainment of PLOs at student and cohort level, the already granted provisional accreditation to intake Batch – 2016 under Level-I is validated and up-graded to Level-II.</p> <p>Further, based on the satisfactory level of compliance against accreditation criteria / quality standards and implementation of the Outcome Based Assessment procedures & CQI, re-accreditation is granted for two (02) years i.e., for intake batches 2017 and 2018 under Level-II.</p> <p>Moreover, the HEI is advised to submit the satisfactory compliance report alongwith tangible evidences on followings before submission of subsequent re-accreditation visit request:</p> <ul style="list-style-type: none"> i. Addressal of observations related to underutilization/ restoration of un-operational equipment in Control Lab. ii. Formulation of formal policy on industry applied research and design projects. iii. Addressal of all observations/ deficiency, weaknesses & concerns, particularly in Criteria 2, 8 & 9.
	Current Status		
	Visit Type	Re-accreditation	
	Date of Visit	July 16-17, 2021	

b.	Program	B.Sc. Computer Software Engineering	<p>Based on the satisfactory implementation of OBA and reasonable attainment of PLOs at student and cohort level, the already granted provisional accreditation to intake Batch – 2016 under Level-I is validated and up-graded to Level-II.</p> <p>Further, based on the satisfactory level of compliance against accreditation criteria/ quality standards and implementation of the Outcome Based Assessment procedures & CQI, re-accreditation is granted for two (02) years i.e., for intake batches 2017 and 2018 under Level-II.</p> <p>The Institution, however, is required to address all weak areas / concerns, particularly in Criteria 3, 5 & 8.
