Subject: Policy for Affiliated Institutions under Public Sector HEIs for Engineering Education in Pakistan

Dear Sir/ Madam,

I am directed to convey the following decision of 99th EAB meeting held on 4th December, 2020 at PEC HQ, Islamabad for adherence by HEIs offering engineering programs in Pakistan:

"PEC Engineering Accreditation Board (EAB) showed serious concern regarding affiliations being given by the HEIs and closure of such Institution/ Colleges, which created problems for the students in the past, and advised public sector HEIs to make the affiliation policy more stringent ensuring sustainability of the affiliated Institutions to avoid any untoward situations in future."

2. Keeping above in view, HEIs are requested to formulate/ align their affiliation policy accordingly with closed M&E mechanism to avoid/ check such irregularities against the quality academic persuasion in institutions.
3. The policy decision should be complied in letter and spirit, please.

Best Regards,

(Engr. Aijaz Hussain Shah)
Sr. Deputy Registrar (Policy)
