

Introduction of Pakistan Engineering Council:

Pakistan Engineering Council is the regulatory body of Engineering Profession in Pakistan under attachment of Ministry of Science and Technology (Government of Pakistan) constituted through an Act of Parliament (PEC Act 1976).

Introduction of Merit 'n' Merit School & Institute:

Merit n Merit has been serving the young talented Matriculation, Intermediate and Graduation Level students of Karachi for over eighteen years since its inauguration by Late Motharma Fatima Suraiya "Bajia" on July 25, 2005 followed by the success of the senior wing, we diversified our promise to "Build the Nation Builders" inaugurated by Prof. Dr. Pirzada Qasim Raza Siddiqui sahib on June 7, 2007.

Ayesha Campus located at our established campus of 2400 sq yards on A.H.I. Road proved to be a trailblazer in Montessori, Primary and Secondary Education. The outstanding results achieved motivated us to go even further and we inaugurated a campus at Block A, North Nazimabad by Prof. Dr. F. U. Baqai, Chancellor, Baqai Medical University on June 26, 2011. Team Merit n Merit comprises of educationists from various sectors and specialties gathered for the noble cause which is aptly conveyed through our motto of "Building the Nation Builders".
