

## CPD Activities Calendar for the Year 2022

University of Engineering & Technology, Lahore, Faisalabad Campus

PEB-P-UETFSID-0035

Dr. Nasir Ahmad

PEB Name:

PEB Reg. #:

Name of PEB  
Coordinator:

| Sr. # | CPD Title (with Contents and objectives as enclosures)                      | CPD Category / Type (as per CPD Bylaws-2008) | Location          | Dates          | Collaboration                     | Recourse Person       | CPD Credit Points | Fee (Rs)                            |
|-------|---|--|-------------------|----------------|-----------------------------------|-----------------------|-------------------|-------------------------------------|
| 1     | Haptic devices and their applications in robotics                           | Seminar                                      | Faisalabad Campus | January 2022   | PEC                               | Dr. Hashim Iqbal      | 0.5               | 200/100<br>(Professionals/Students) |
| 2     | Python basics with AI examples  | Seminar                                      | Faisalabad Campus | February 2022  | PEC                               | Engr Abdullah Tahir   | 0.5               | 200/100<br>(Professionals/Students) |
| 3     | Finite element analysis of delamination crack growth in composite materials | Lecture                                      | Faisalabad Campus | March 2022     | PEC                               | Prof. Dr. Hassan Ijaz | 0.5               | 200/100<br>(Professionals/Students) |
| 4     | Solar power generation and applications                                     | Seminar                                      | Faisalabad Campus | April 2022     | PEC                               | Dr. Aashir Waleed     | 0.5               | 200/100<br>(Professionals/Students) |
| 5     | Energy harvesting techniques in hybrid energy systems                       | Seminar                                      | Faisalabad Campus | September 2022 | PEC & GIFT University, Gujranwala | Dr. Qasim Awais       | 0.5               | 200/100<br>(Professionals/Students) |
| 6     | Low aperture antenna array system for radar applications                    | Lecture                                      | Faisalabad Campus | October 2022   | PEC                               | Dr. Muhammad Nasir    | 0.5               | 200/100<br>(Professionals/Students) |

|                                     |  |         |  |               |     |                          |     |                                     |
|-------------------------------------|--|---------|--|---------------|-----|--------------------------|-----|-------------------------------------|
| 7                                   | Isolation enhancement techniques in MIMO antenna systems | Lecture | Faisalabad Campus  | November 2022 | PEC | Dr. Muhammad Yasir Jamal | 0.5 | 200/100<br>(Professionals/Students) |
| 8                                   | Data analysis using R                                    | Seminar | Faisalabad Campus  | December 2022 | PEC | Dr. M. Awais Hafeez      | 0.5 | 200/100<br>(Professionals/Students) |
| Name & Signature of PEB Coordinator |  |         | Dr. Nasir Ahmad  |               |     |                          |     |                                     |
