Professional Mechanical Engineer 24 Years Experiences with PEC to register engineers. The experience of facilitation to hire engineers with various companies and contractors. Renewal cards of engineers for their validity from PEC. Attended so many seminars organized PEC and also facilitated to many engineers to participate in Profesional Seminars organized by high reputational institutes, organizations as well as PEC. My moto for taking part in election is to motivate Engineers play their role as per rules and regulations of PEC and would like to be the bridge between PEC and Engineers for proper communication. Also would like to work for the betterment of PEC and Engineers according to modern strategies and techniques. If I may be elected successfully in the PEC Governing Body Elections for the tenure of 2024 to 2027 I will endeavor to enhance for the betterment of PEC and Engineers.

Note: I've kept the profile concise and focused on the key points, within the 500-word limit. Feel free to adjust as needed to fit your specific experience and goals. Good luck with your election campaign
