

# PAKISTAN ENGINEERING COUNCIL

## PRE-QUALIFICATION

### Provision of interior design services including supply and installation of furniture and fixture

Pakistan Engineering Council Head Office located at Attaturk Avenue, G-5/2, Islamabad is currently implementing works for Construction of PEC HQ Additional Block Islamabad, PEC Regional Offices Buildings at Lahore and Peshawar. The subject Buildings are in different stages of completion in terms of structure works and in phases of Finishing and Interior works. The total covered area of all the buildings is around 300,000 Sft.

It is client's intention to hire the services of an Interior Design/Architectural Firm for space planning and furniture layout/design, procurement and installation. This shall include the development of comprehensive interior design concepts. The PEC now seeks to pre-qualify firms to undertake this project. Applications for pre-qualification are hereby invited from architectural firms registered with PCATP and possessing valid registration with FBR, meeting the following qualifications:

- i. Duly Registered firms should have an experience of similar interior space designing of not less than 10 (ten) years.
- ii. Proof of having executed similar works in the last 10 (ten) years especially in multistory corporate buildings interiors.

#### Interested Firms are requested to submit:

- 1) A company profile clearly articulating their services, value proposition, organization structure and key projects
- 2) Specific experience of relevance to the assignment including:
  - a. 1 (one) interior design project of 50,000 square feet or above, along with 3D rendering of the project in presentation format
  - b. 5 (five) other projects of interior design completed in the last 10 years
  - c. Project details of similar projects in hand
- 3) Team composition includes:
  - a. Proposed Team structure for undertaking the project
  - b. CV of Team Leader/ Lead Designer who should currently be an employee of the Firm
  - c. CVs of 5 (five) team members likely to be associated with the proposed project

Firms meeting the qualification criteria may be required to provide a presentation of their capabilities to the PEC on a date notified after the submission of pre-qualification documents.

The deadline for submission of the pre-qualification is **5.00 p.m. PST on Oct 28, 2024 (Monday)**. All pre-qualification documents must be delivered to the address below along with a soft copy of the same on email. All late submissions will be rejected.
