

Pakistan Engineering Council

(Constituted under Pakistan Engineering Council Act, 1976 enacted by the Parliament)

No. PEC/Const/Ext/07/2025

September 12, 2025

NOTIFICATION

1. It is to inform that License/Certificate's validity of all Constructors, Operators and Consulting Engineering firms/companies (Pakistani and Foreign) registered with this Council which were valid up to June 30, 2025 has been extended up to October 31, 2025 due to the recent floods across the country, which have severely affected overall developmental and construction activities.
2. No further extensions shall be granted. All interested constructors, operators, and consulting engineering firms/companies must apply for licence renewal within the stipulated time.
3. This is issued with the approval of Competent Authority and necessary compliance of all concerned, please.
